The Way It Was:

The Eastern Neighborhoods Citizens Advisory Committee (ENCAC) was comprised of 13 members representing the four Eastern Neighborhoods Plan Areas: Central Waterfront, East SoMa, the Mission, and Showplace Square/Potrero Hill. Of these, five seats were appointed by the Mayor and eight by the Board of Supervisors. Of the eight Board seats, four were nominated by the District 10 Supervisor, two by the District 6 Supervisor, and one each by the District 8 and 9 Supervisors.

The Way It Is Now:

The Ordinance expanded the ENCAC to 19 seats, in the following fashion:

- The Board of Supervisors received three new seats. Of these:
 - One seat will be nominated by the District 9 Supervisor, bringing that District's total to two nominations. This seat has voting rights on the ENCAC.
 - Two seats will be nominated by the Western SoMa Planning Area Task Force. These seats will not have voting rights on the ENCAC until such a time as an area-specific Impact Fee is created in the Western SoMa Special Use District, and that fee is integrated into the Eastern Neighborhoods Public Benefits Fund.
- The Mayor also received three new seats. Of these:
 - One seat will be an at-large seat. This seat has voting rights on the ENCAC.
 - Two seats will be added but not have voting rights on the ENCAC until such a time as an area-specific Impact Fee is created in the Western SoMa Special Use District, and that fee is integrated into the Eastern Neighborhoods Public Benefits Fund.
