*P3a. Description: (Describe resource and its major elements. Include design, materials, condition, alterations, size, setting, and boundaries.)

477 Oak St. is located on a 25' x 82' lot on the south side of Oak Street, between Laguna and Buchanan Streets. Built circa 1895, 477 Oak St is a three-story, wood frame, multiple family building designed in the Stick/Eastlake style. The rectangular-plan building, clad in drop wood siding is capped by a flat roof. The primary façade faces north and is two bays wide. The basement story features a straight flight of terrazzo steps with concrete parapet walls in the left bay leading to the main entrance on the second story. The right bay contains a garage with paneled overhead door with pilasters surround and bracketed hood. The second story contains the two main entrances in the left bay, sheltered by a recessed porch with arched opening. The entrances have modern, glazed, paneled, wood doors capped by divided transoms. The right bay of the second story contains is a squared bay window with double-hung, wood sash; spandrel panels; and reeded surrounds. A beltcourse separates the second and third story. The third story contains the continuation of the second-story bay window in the right bay. The window has similar sash and surrounds to the second-story window and pedimented panel at the cornice line with rosette and shield ornament. The window has panels of bulls eye ornament above the cornice line. The right bay contains a single double-hung, wood window with pilaster surround and bracketed pediment cap. The façade terminates in an entablature made up of a paneled frieze and bracketed cornice. A pent roof clad in asphalt shingles rises above the cornice line. The building appears to be in good condition.
