*P3a. Description: (Describe resource and its major elements. Include design, materials, condition, alterations, size, setting, and boundaries.)

124-126 Haight Street is located on a 27' x 120' through-block lot on the north side of Haight Street, between Laguna and Octavia Streets. Built in 1890, 124-126 Haight Street is a two-story, wood frame, two-unit multiple family residence designed in the Classical Revival style. The rectangular-plan building, clad in horizontal drop wood siding, sits on a reinforced concrete perimeter foundation and is capped by a flat roof. The primary façade faces south and is two bays wide. The entrance in the left bay of the first floor is approached by terrazzo steps supported by a low concrete wall and featuring metal handrails. The recessed entry is demarcated by square pilasters supporting an arched entryway and capped by an ornate triangular pediment. This entry contains two single-light glazed wood-panel doors with molded surrounds and transoms. Above the entrance on the second floor is a single window capped by an entablature and triangular pediment. The right bay features a two-story bay window with double-hung windows. The first floor windows are arched and have a pediment cap; the second floor windows are squared and have a broad, arched pediment roof with applied ornamental interior. The fenestration on this façade is composed of double-hung, wood-sash windows with molded surround, decorative brackets, and garland ornamentation. Molding and rosette motifs define the vertical edges of the façade which (continued)

P3a. Description, continued.
terminates in an entablature consisting of dentils, brackets, a projecting cornice, and pediment cap with ornamental garland and finials.

The rear elevation on Rose Street features a single-story garage addition with roof deck constructed after 1997. The rear yard is enclosed with a wood wall. The addition may also include a living unit, as a door accessing the interior of the lot through the site wall bears the number "245." The building appears to be in good condition.
