BALBOA RESERVOIR PROJECT – north of the Ocean Avenue Neighborhood Commercial District, west of the City College of San Francisco Ocean Campus, east of the Westwood Park neighborhood, and south of Archbishop Riordan High School, Assessor’s Block 3180/Lot 190. This is an **Informational Presentation** on the proposed Balboa Reservoir Mixed-Use Development Project, located in the Balboa Park Station Plan Area at the site of the SFPUC Balboa Reservoir. Reservoir Community Partners LLC, the project sponsor, seeks to develop the approximately 17.6-acre site for a multi-phased, mixed-use development. The proposed project would rezone the site, establish land use controls and design standards, and provide for development of up to approximately 1.8 million gross square

feet (gsf) of uses, including approximately 1.3 million gsf of residential space (approximately 1,100 dwelling units plus residential amenities), approximately 10,000 gsf of community space (childcare and a community room for public use), approximately 7,500 gsf of neighborhood-serving retail, up to 550 residential parking spaces and up to 750 public parking spaces. The project would also build new streets, pathways, and a total of approximately 4 acres of new public open space. The proposed project would modify the existing height limits of 40 and 65 feet to heights ranging from 40 to 78 feet. The project would require amendments to the General Plan and Planning Code, creating a new Balboa Reservoir Special Use District. This presentation will provide an update on the project, including the proposed package of public benefits.

*Preliminary Recommendation: None – Informational*

**HOUSING AFFORDABILITY STRATEGIES** – **Informational Presentation** – The Housing Affordability Strategies (HAS) analyzes how the City of San Francisco can improve housing affordability over the next 30 years, particularly for low- and moderate-income households. The HAS analyzed development feasibility, City policies, and public investments needed to achieve the City’s housing targets for production of both market rate and affordable housing. The HAS also analyzed programs to preserve affordable housing and to protect and stabilize residents. Planning collaborated with a consultant team and fellow City agencies to develop the HAS and incorporated feedback from community members, advocates, nonprofit and for-profit housing developers, and policy researchers. The HAS will inform the 2022 Housing Element Update, citywide housing policy development and implementation, and neighborhood-level housing planning.
