The Planning Commission holds public hearings regularly, on most Thursdays. The full hearing schedule for the calendar year
and the Commission Rules & Regulations may be found online at: www.sfplanning.org.

Public Comments: Persons attending a hearing may comment on any scheduled item.

- When speaking before the Commission in City Hall, Room 400, please note the timer indicating how much time remains.
  Speakers will hear two alarms. The first soft sound indicates the speaker has 30 seconds remaining. The second louder
  sound indicates that the speaker’s opportunity to address the Commission has ended.

Sound-Producing Devices Prohibited: The ringing of and use of mobile phones and other sound-producing electronic devices are
prohibited at this meeting. Please be advised that the Chair may order the removal of any person(s) responsible for the ringing or
use of a mobile phone, pager, or other similar sound-producing electronic devices (67A.1 Sunshine Ordinance: Prohibiting the use
of cell phones, pagers and similar sound-producing electronic devices at and during public meetings).

3. A presentation of opposition to the proposal by organized opposition for a period not to exceed 10 minutes (or a
   period equal to that provided to the project sponsor team) with a minimum of three (3) speakers. The intent of the 10

   organized opposition. The requestor should advise the group that the Commission would expect the organized
   presentation to represent their testimony, if granted. Organized opposition will be recognized only upon written
   application at least 72 hours in advance of the hearing, through the Commission Secretary, the President or Chair.

    continue to another hearing date, if seconded, shall be voted on by the Commission.

Every Official Act taken by the Commission must be adopted by a majority vote of all members of the Commission, a minimum of
four (4) votes. A failed motion results in the disapproval of the requested action, unless a subsequent motion is adopted. Any
Procedural Matter, such as a continuance, may be adopted by a majority vote of members present, as long as the members
present constitute a quorum (four (4) members of the Commission).

For Discretionary Review cases that are considered by the Planning Commission, after being introduced by the Commission
Secretary, shall be considered by the Commission in the following order:

1. A thorough description of the issue by the Director or a member of the staff.

**Challenges**
Pursuant to Government Code Section 65009, if you challenge, in court, (1) the adoption or amendment of a general plan, (2) the adoption or amendment of a zoning ordinance, (3) the adoption or amendment of any regulation attached to a specific plan, (4) the adoption, amendment, or modification of a development agreement, or (5) the approval of a variance, conditional-use authorization, or any permit, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence delivered to the Planning Commission, at, or prior to, the public hearing.

**CEQA Appeal Rights under Chapter 31 of the San Francisco Administrative Code**
If the Commission’s action on a project constitutes the Approval Action for that project (as defined in S.F. Administrative Code Chapter 31, as amended, Board of Supervisors Ordinance Number 161-13), then the CEQA determination prepared in support of that Approval Action is thereafter subject to appeal within the time frame specified in S.F. Administrative Code Section 31.16. This appeal is separate from and in addition to an appeal of an action on a project. Typically, an appeal must be filed within 30 calendar days of the Approval Action for a project that has received an exemption or negative declaration pursuant to CEQA. For information on filing an appeal under Chapter 31, contact the Clerk of the Board of Supervisors at City Hall, 1 Dr. Carlton B. Goodlett Place, Room 244, San Francisco, CA 94102, or call (415) 554-5184. If the Department’s Environmental Review Officer has deemed a project to be exempt from further environmental review, an exemption determination has been prepared and can be obtained on-line at [http://www.sf-planning.org/index.aspx?page=3447](http://www.sf-planning.org/index.aspx?page=3447). Under CEQA, in a later court challenge, a litigant may be limited to raising only those issues previously raised at a hearing on the project or in written correspondence delivered to the Board of Supervisors, Planning Commission, Planning Department or other City board, commission or department at, or prior to, such hearing, or as part of the appeal hearing process on the CEQA decision.

**Protest of Fee or Exaction**
You may protest any fee or exaction subject to Government Code Section 66000 imposed as a condition of approval in accordance with Government Code Section 66020. The protest must satisfy the requirements of Government Code Section 66020(a) and must be filed within 90 days of the date of the first approval or conditional approval of the development referencing the challenged fee or exaction. For purposes of Government Code Section 66020, the date of imposition of the fee shall be the date of the earliest discretionary approval by the City of the subject development.

The Planning Commission’s approval or conditional approval of the development subject to the challenged fee or exaction as expressed in its Motion, Resolution, or Discretionary Review Action or the Zoning Administrator’s Variance Decision Letter will serve as Notice that the 90-day protest period under Government Code Section 66020 has begun.
