**ZONING ADMINISTRATOR
NOTICE OF HEARING ON
APPLICATION FOR ZONING VARIANCE**

A. REGULAR CALENDAR**1. 2020-011184VAR (GRETEL GUNTHER)**

2825 BROADWAY STREET, Lot 014 in Assessor's Block 0963 in a RH-1(D) Zoning District and a 40-X Height and Bulk District

SIDE YARD VARIANCE SOUGHT: The project proposes to vertically extend an existing elevator at the subject property's east facade from the fourth story to the sixth story and to reduce the footprint of the existing elevator shaft from a width of approximately 15 feet to a width of 6 feet 6 inches at all street-visible levels. The elevator will retain the existing depth of projection into required side yard setback of 3 feet 4 ½ inches.

PLANNING CODE SECTION 133 requires that the side yard in an RH-1(D) Zoning District for lots with a width of 50 feet or more have two side yards each of 5 feet. The existing elevator already extends 3 feet 4 ½ inches into the required side yard setback. While the project will reduce the width of the existing obstruction into the required side yard and the overall total obstruction, the proposed vertical extension from the fourth story to the sixth story will be entirely within the required side yard. Therefore, a variance is required.

ARCHITECTURAL PLANS: The site plan and elevations of the proposed project are available on the Planning Department's website at: <https://citypln-m-extnl.sfgov.org/SharedLinks.aspx?accesskey=0b310ad0341c102444a170e80b7665c3d1f6daceaf045b13992004a0a4b2392f&VaultGUID=A4A7DACD-B0DC-4322-BD29-F6F07103C6E0>

2. 2019-020147VAR (SHARON YOUNG)

589-591 - 4TH AVENUE, Lot 022 in Assessor's Block 1547 in a RH-2 Zoning District and a 40-X Height and Bulk District

REAR YARD VARIANCE SOUGHT: The proposal is to raise the existing building approximately 2 feet 6 inches, construct vertical and horizontal additions, facade modifications, front and rear decks, and front dormer/bay window, plus other interior alterations.

PLANNING CODE SECTION 134 requires maintaining a rear yard equal to 45 percent of the total lot depth, or the average of qualifying adjacent buildings if no less than 25 percent of the lot depth or 15 feet, whichever is greater. Any additional depth achieved through averaging is limited to a height of 30 feet. Based on averaging, the subject property has a required rear yard of approximately 36 feet. A portion of the proposed rear additions on the second and third floors will extend approximately 8 feet into the required rear yard and approximately 2 feet of the proposed rear addition on the proposed fourth floor will exceed 30 feet at the rear of the building. Therefore, a variance is required.

ARCHITECTURAL PLANS: The site plan and elevations of the proposed project are available on the Planning Department's website at: <https://citypln-m-extnl.sfgov.org/SharedLinks.aspx?accesskey=02b3a42dd22e66b696ac365c13a5aaa88f94fab53c5493dfb0d56a8aa7564162&VaultGUID=A4A7DACD-B0DC-4322-BD29-F6F07103C6E0>

3. **2021-000503VAR** (NATALIA KWIATKOWSKA)
1035 SUTTER STREET, Lot 020 in Assessor's Block 0301 in a RC-4 Zoning District and a 40-X Height and Bulk District.

EXPOSURE VARIANCE SOUGHT: The proposal is to add 2 ADUs to an existing 34-unit building. The ADUs are proposed at the east side of the basement level of the building with windows facing onto the existing lightwell.

PLANNING CODE SECTION 140 requires all dwelling units to face directly onto a street or other open area meeting the requirement of the Planning Code. The Zoning Administrator may administratively reduce the dimensions of the open area to an area that is at least 225 square-feet with no horizontal dimension less than 9 feet for ADUs per Section 307(l)(1). The proposed ADUs face onto a lightwell that is approximately 7 feet 1 inch deep and 37 feet 1 inch wide. The depth of 7 feet 1 inch is less than the 9-foot minimum dimension required for the administrative waiver. Therefore, a variance is required.

ARCHITECTURAL PLANS: The site plan and elevations of the proposed project are available on the Planning Department's website at: <https://citypln-m-extnl.sfgov.org/SharedLinks.aspx?accesskey=eb3aca9db5684f7892077b78e093205b51329b6573e352c11af6243d51ab80b6&VaultGUID=A4A7DACD-B0DC-4322-BD29-F6F07103C6E0>

Hearing Procedures

The **Zoning Administrator** typically holds Variance Hearings on the **4th Wednesday of each month at 9:30 a.m.**, at the **San Francisco City Hall, Room 408**. However, due to Covid-19 and in compliance with the Shelter-In-Place Order in San Francisco, the Zoning Administrator has been holding his monthly Variance Hearings remotely using Video and Teleconferencing since April 2020.

At the hearing, the **Project Sponsor** (Variance Applicant) will be given 5 minutes to present their case, including relevant testimony and evidence. The hearing room is equipped with a projector that can display photographs, architectural plans or other drawings and images. **Members of the public** will be given 3 minutes each to speak on the item. If a member of the public speaks against an item, the Project Sponsor will be given a 3-minute **rebuttal**.

Speakers will hear a notification indicating that the speaker's opportunity to address the Zoning Administrator is about to end or has ended.

There is no separate discussion of consent items unless the Zoning Administrator, member of the public or staff so requests, in which event the matter is removed from the Consent Calendar and will be moved to the Regular Calendar in the Agenda.

In addition, the Zoning Administrator may consider a request for **continuance** to a later date. He may choose to continue the item to the date proposed, to continue the item to another date, or to hear the item on this calendar.

After all the testimonies are submitted, the Zoning Administrator will consider the evidence, deliberate, and either make a decision, take the matter under advisement, or continue the matter in order for additional information to be presented.

Each hearing ends with **general public comment**, at which time members of the public may address the Zoning Administrator for up to 3 minutes on items of interest to the public that are within the subject matter jurisdiction of the Zoning Administrator, except agenda items. Protest of Fee or Exaction

You may protest any fee or exaction subject to Government Code Section 66000 imposed as a condition of approval in accordance with Government Code Section 66020. The protest must satisfy the requirements of Government Code Section 66020(a) and must be filed within 90 days of the date of the first approval or conditional approval of the development referencing the challenged fee or exaction. For purposes of Government Code Section 66020, the date of imposition of the fee shall be the date of the earliest discretionary approval by the City of the subject development.

The Zoning Administrator's approval or conditional approval of the development subject to the challenged fee or exaction as expressed in its Motion, Resolution, or Discretionary Review Action or the Zoning Administrator's Variance Decision Letter will serve as Notice that the 90-day protest period under Government Code Section 66020 has begun.

Challenges

Pursuant to Government Code Section 65009, if you challenge, in court, (1) the adoption or amendment of a general plan, (2) the adoption or amendment of a zoning ordinance, (3) the adoption or amendment of any regulation attached to a specific plan, (4) the adoption, amendment or modification of a development agreement, or (5) the approval of a variance, conditional-use authorization, or any permit, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence delivered to the Zoning Administrator or Planning Commission, at, or prior to, the public hearing.

CEQA Appeal Rights under Chapter 31 of the San Francisco Administrative Code

If the Zoning Administrator's or Commission's action on a project constitutes the Approval Action for that project (as defined in S.F. Administrative Code Chapter 31, as amended, Board of Supervisors Ordinance Number 161-13), then the CEQA determination prepared in support of that Approval Action is thereafter subject to appeal within the time frame specified in S.F. Administrative Code Section 31.16. This appeal is separate from and in addition to an appeal of an action on a project. Typically, an appeal must be filed within 30 calendar days of the Approval Action for a project that has received an exemption or negative declaration pursuant to CEQA. For information on filing an appeal under Chapter 31, contact the Clerk of the Board of Supervisors at City Hall, 1 Dr. Carlton B. Goodlett Place, Room 244, San Francisco, CA 94102, or call (415) 554-5184. If the Department's Environmental Review Officer has deemed a project to be exempt from further environmental review, an exemption determination has been prepared and can be obtained on-line at <http://www.sf-planning.org/index.aspx?page=3447>. Under CEQA, in a later court challenge, a litigant may be limited to raising only those issues previously raised at a hearing on the project or in written correspondence delivered to the Board of Supervisors, Planning Commission, Planning Department or other City board, commission or department at, or prior to, such hearing, or as part of the appeal hearing process on the CEQA decision.
