SAN FRANCISCO
PLANNING COMMISSION
AND
RECREATION AND PARK COMMISSION

Notice of Joint Meeting &
Agenda
Remote Hearing
via video and teleconferencing

Thursday, July 29, 2021
10:00 a.m.
Special Meeting

PLANNING COMMISSION:
President: Joel Koppel
Vice-President: Kathrin Moore
Commissioners: Deland Chan, Sue Diamond, Frank Fung,
Theresa Imperial, Rachael Tanner

RECREATION AND PARK COMMISSION:
President: Mark Buell
Vice-President: Eric McDonnell
Commissioners: Kat Anderson, Joe Hallisy, Annie Jupiter-Jones,
Allan Low, Larry Mazzola, Jr.

Planning Commission Secretary:
Jonas P. Ionin

Recreation and Park Commission Liaison:
Ashley Summers

Hearing Materials are available at:
Planning Commission Packet and Correspondence

Commission Hearing Broadcasts:
Live stream: https://sfgovtv.org/planning

Disability and language accommodations available upon request to:
commissions.secretary@sfgov.org or (628) 652-7589 at least 48 hours in advance.
Ramaytush Ohlone Acknowledgement
The Planning Commission acknowledges that we are on the unceded ancestral homeland of the Ramaytush Ohlone, who are the original inhabitants of the San Francisco Peninsula. As the indigenous stewards of this land and in accordance with their traditions, the Ramaytush Ohlone have never ceded, lost, nor forgotten their responsibilities as the caretakers of this place, as well as for all peoples who reside in their traditional territory. As guests, we recognize that we benefit from living and working on their traditional homeland. We wish to pay our respects by acknowledging the Ancestors, Elders, and Relatives of the Ramaytush Ohlone community and by affirming their sovereign rights as First Peoples.

Know Your Rights Under the Sunshine Ordinance
Government’s duty is to serve the public, reaching its decisions in full view of the public. Commissions, boards, councils and other agencies of the City and County exist to conduct the people’s business. This ordinance assures that deliberations are conducted before the people and that City operations are open to the people’s review.

For more information on your rights under the Sunshine Ordinance (Chapter 67 of the San Francisco Administrative Code) or to report a violation of the ordinance, contact the Sunshine Ordinance Task Force at City Hall, 1 Dr. Carlton B. Goodlett Place, Room 409; phone (415) 554-7724; fax (415) 554-7854; or e-mail at sof@sfgov.org. Copies of the Sunshine Ordinance can be obtained from the Clerk of the Sunshine Task Force, the San Francisco Library and on the City’s website at www.sfbos.org/sunshine.

Privacy Policy
Personal information that is provided in communications to the Planning Department is subject to disclosure under the California Public Records Act and the San Francisco Sunshine Ordinance. Personal information provided will not be redacted.

Members of the public are not required to provide personal identifying information when they communicate with the Planning Department and its commissions. All written or oral communications that members of the public submit to the Department regarding projects or hearings will be made available to all members of the public for inspection and copying. The Department does not redact any information from these submissions. This means that personal information including names, phone numbers, addresses and similar information that a member of the public elects to submit to the Department and its commissions may appear on the Department’s website or in other public documents that members of the public may inspect or copy.

Accessible Meeting Information
Commission hearings are held in Room 400 at City Hall, 1 Dr. Carlton B. Goodlett Place in San Francisco. City Hall is open to the public Monday through Friday from 8:00 a.m. to 8:00 p.m. and is accessible to persons using wheelchairs and other assistive mobility devices. Ramps are available at the Grove, Van Ness and McAllister entrances. A wheelchair lift is available at the Polk Street entrance.

Transit: The nearest accessible BART station is Civic Center. Accessible MUNI Metro lines are the F, J, K, L, M, N, T (exit at Civic Center or Van Ness stations). MUNI bus routes also serving the area are the 5, 6, 9, 19, 21, 47, 49, 71, and 71L. For more information regarding MUNI accessible services, call (415) 701-4485 or call 311.

Parking: Accessible parking is available at the Civic Center Underground Parking Garage (McAllister and Polk), and at the Performing Arts Parking Garage (Grove and Franklin). Accessible curbside parking spaces are located all around City Hall.

Disability Accommodations: To request assistive listening devices, real time captioning, sign language interpreters, readers, large print agendas or other accommodations, please contact the Commission Secretary at (628) 652-7589, or commissions.secretary@sfgov.org at least 72 hours in advance of the hearing to help ensure availability.

Language Assistance: To request an interpreter for a specific item during the hearing, please contact the Commission Secretary at (628) 652-7589, or commissions.secretary@sfgov.org at least 48 hours in advance of the hearing.

Allergies: In order to assist the City in accommodating persons with severe allergies, environmental illness, multiple chemical sensitivity or related disabilities, please refrain from wearing scented products (e.g. perfume and scented lotions) to Commission hearings.

SPANISH: Agenda para la Comisión de Planificación. Si desea asistir a la audiencia, y quisiera obtener información en Español o solicitar un aparato para asistencia auditiva, llame al (628) 652-7589. Por favor llame por lo menos 48 horas de anticipación a la audiencia.

CHINESE: 計委員會議程。請注意，如需申請或要求輔助設備，請致電(628) 652-7589。請在聽證會舉行之前的至少48小時提出要求。

RUSSIAN: Повестка дня Комиссии по планированию. За помощью переводчика или за вспомогательным слуховым устройством на время слушаний обращайтесь по номеру (628) 652-7589. Запросы должны делаться минимум за 48 часов до начала слушания.
Remote Access to Information and Participation

In accordance with Governor Newsom’s statewide order for all residents to Shelter-in-place - and the numerous preceding local and state proclamations, orders and supplemental directions - aggressive directives have been issued to slow down and reduce the spread of the COVID-19 virus.

On April 3, 2020, the Planning Commission was authorized to resume their hearing schedule through the duration of the shelter-in-place remotely. Therefore, the Planning Commission meetings will be held via videoconferencing and allow for remote public comment. The Commission strongly encourages interested parties to submit their comments in writing, in advance of the hearing to commissions.secretary@sfgov.org. Visit the SFGovTV website (https://sfgovtv.org/planning) to stream the live meetings or watch on a local television station.

Public Comment call-in: (415) 655-0001 / Access code: 146 489 3774

The public comment call-in line number will also be provided on the Department’s webpage https://sfplanning.org/ and during the live SFGovTV broadcast.

As the COVID-19 emergency progresses, please visit the Planning website regularly to be updated on the current situation as it affects the hearing process and the Planning Commission.
ROLL CALL:

PLANNING COMMISSION:  
President: Joel Koppel  
Vice-President: Kathrin Moore  
Commissioners: Deland Chan, Sue Diamond, Frank Fung, Theresa Imperial, Rachael Tanner

RECREATION AND PARK COMMISSION:  
President: Mark Buell  
Vice-President: Eric McDonnell  
Commissioners: Kat Anderson, Joe Hallisy, Annie Jupiter-Jones, Allan Low, Larry Mazzola, Jr.

A. SPECIAL CALENDAR

NOTE: The Planning Commission and Recreation and Park Commission will hold one joint public hearing for the public to provide testimony on all items listed below. Following the public hearing, the Planning Commission will consider the Appeal of the Preliminary Negative Declaration ("PMND"). If the Planning Commission upholds the PMND, the Recreation and Park Commission will act jointly with the Planning Commission to consider raising the absolute cumulative shadow limit for Maritime Plaza and setting the absolute cumulative shadow limit for Sue Bierman Park and the Recreation and Park Commission will consider making a recommendation to the Planning Commission regarding the possible adverse impact of shadow on Maritime Plaza and Sue Bierman Park. Following action on those items, the Recreation and Park Commission will adjourn, and the Planning Commission will remain in session and consider action on all other items.

1. 2019-017481APL (A. CALLAGY: (628) 652-7540)  
530 SANSOME STREET – east side of Sansome Street between Washington and Merchant Streets; Lots 013, 014, and 017 in Assessor’s Block 0206 (District 3) – Appeal of Preliminary Negative Declaration for the proposed demolition of three existing buildings, at 425 Washington, 439–445 Washington, and 530 Sansome streets and construction of a four-story replacement fire station for San Francisco Fire Department Station 13 and an approximately 218-foot-tall (236 feet total, including rooftop mechanical equipment) building with three below-grade levels under the Project Site. The 530 Sansome Street project would convert the western portion of Merchant Street adjacent to the project site into a shared street/living alley. The project would result in one loading space and two vehicle service spaces. The 218-foot-tall building would contain either: A) approximately 200 hotel rooms, and retail/restaurant space, office space and fitness center space with 48 vehicle parking spaces, 22 class 1 bicycle parking spaces, and 26 class 2 bicycle parking spaces; or B) approximately 256 residential units with 82 vehicle parking spaces 143 class 1 bicycle parking spaces, and 19 class 2 bicycle parking. The Project Site is located within a C-3-O (Downtown Office) Zoning District, Downtown Plan Area, and 200-S Height and Bulk District.

Preliminary Recommendation: Uphold  
(Continued from Regular hearing on June 17, 2021)  
(Planning Commission Action Only)
2a. **2019-017481SHD**  
(N. FOSTER: (628) 652-7330)  
530 SANSOME STREET – located on the east side between Washington and Merchant Streets; Lots 013, 014, and 017 in Assessor’s Block 0206 (District 3) – **Discussion and possible Joint Action by the Planning Commission and the Recreation and Park Commission to raise the absolute cumulative limit for Maritime Plaza and set an absolute cumulative limit for Sue Bierman Park, pursuant to the jointly-approved Planning Code Section 295 Implementation Memo adopted in 1989, in order to accommodate new shadow cast by the proposed project at 530 Sansome Street.** The proposed project (“Project”) includes the demolition of three existing buildings, including San Francisco Fire Department (SFFD) Station 13 and two vacant commercial buildings and the construction of a new mixed-use building reaching a roof height up to 218 feet tall (236’ inclusive of rooftop screening/mechanical equipment). The Project proposes two distinct development programs that could be implemented, one that would construct various commercial uses further described below (“Commercial Variant”) and one that would construct residential uses further described below (“Residential Variant”). Both the Commercial Variant and Residential Variant would include construction of a state-of-the-art, four-story Fire Station 13 (approximately 21,000 square feet of gross floor area with minor variations in square footage between the Commercial Variant and Residential Variant), as well as a below-grade, non-accessory private parking garage for the SFFD containing 18 spaces (approximately 7,800 square feet of gross floor area with minor variations in square footage between the Commercial Variant and Residential Variant). The Commercial Variant would include a total of approximately 249,000 square feet of gross floor area, including the Fire Department uses, as well as various commercial uses contained in a 19-story tower, including approximately 141,000 square feet of hotel uses (200 rooms), approximately 37,100 square feet of office uses, approximately 32,000 square feet of gym uses and approximately 7,900 square feet of restaurant uses. The Commercial Variant proposes 22 Class 1 and 26 Class 2 bicycle parking spaces, three (3) off-street loading spaces, as well as 30 parking spaces and one (1) car-share below-grade parking spaces for the non-Fire Department uses. The Residential Variant would include a total of approximately 283,000 square feet of gross floor area, including the Fire Department uses, as well as approximately 247,000 square feet of residential uses (256 dwelling units) in a 21-story tower. The additional two building stories in the Residential Variant are the result of slightly smaller floor-to-floor ceiling heights for the residential floors. The Residential Variant proposes 143 Class 1 and 21 Class 2 bicycle parking spaces, three (3) off-street loading spaces, as well as 64 parking spaces and two (2) car-share below-grade parking spaces for the residential uses. The Residential Variant would contain a mix of 191 studio and one-bedroom units, 38 two-bedroom units, and 27 three-bedroom units. For both the Commercial Variant and Residential Variant, SFFD proposes changes to the lane configuration and traffic light facilities on Washington Street, such that SFFD engines would be able to safely make westbound and eastbound turns out to Washington Street to enhance SFFD’s ability to promptly respond to emergency calls. The Project Site is located within a C-3-O (Downtown Office) Zoning District, Downtown Plan Area, and 200-S Height and Bulk District. 

**Preliminary Recommendation: Raise Cumulative Shadow Limit**  
(Planning Commission and Recreation and Park Commission Joint Action)

2b. **2019-017481SHD**  
(C. TOWNES: (628) 652-6612)  
530 SANSOME STREET – located on the east side between Washington and Merchant Streets; Lots 013, 014, and 017 in Assessor’s Block 0206 (District 3) – **Discussion and possible action by the Recreation and Park Commission to adopt a resolution to recommend to the**
Planning Commission that the new shadow cast by the proposed project at 530 Sansome Street will or will not have a significant adverse impact on the use of Maritime Plaza or Sue Bierman Park, two (2) properties under the jurisdiction of the Recreation and Park Department, as required by Planning Code Section 295 (the Sunlight Ordinance). The proposed project (“Project”) includes the demolition of three existing buildings, including San Francisco Fire Department (SFFD) Station 13 and two vacant commercial buildings and the construction of a new mixed-use building reaching a roof height up to 218 feet tall (236’ inclusive of rooftop screening/mechanical equipment). The Project proposes two distinct development programs that could be implemented, one that would construct various commercial uses further described below (“Commercial Variant”) and one that would construct residential uses further described below (“Residential Variant”). Both the Commercial Variant and Residential Variant would include construction of a state-of-the-art, four-story Fire Station 13 (approximately 21,000 square feet of gross floor area with minor variations in square footage between the Commercial Variant and Residential Variant), as well as a below-grade, non-accessory private parking garage for the SFFD containing 18 spaces (approximately 7,800 square feet of gross floor area with minor variations in square footage between the Commercial Variant and Residential Variant). The Commercial Variant would include a total of approximately 249,000 square feet of gross floor area, including the Fire Department uses, as well as various commercial uses contained in a 19-story tower, including approximately 141,000 square feet of hotel uses (200 rooms), approximately 37,100 square feet of office uses, approximately 32,000 square feet of gym uses and approximately 7,900 square feet of restaurant uses. The Commercial Variant proposes 22 Class 1 and 26 Class 2 bicycle parking spaces, three (3) off-street loading spaces, as well as 30 parking spaces and one (1) car-share below-grade parking spaces for the non-Fire Department uses. The Residential Variant would include a total of approximately 283,000 square feet of gross floor area, including the Fire Department uses, as well as approximately 247,000 square feet of residential uses (256 dwelling units) in a 21-story tower. The additional two building stories in the Residential Variant are the result of slightly smaller floor-to-floor ceiling heights for the residential floors. The Residential Variant proposes 143 Class 1 and 21 Class 2 bicycle parking spaces, three (3) off-street loading spaces, as well as 64 parking spaces and two (2) car-share below-grade parking spaces for the residential uses. The Residential Variant would contain a mix of 191 studio and one-bedroom units, 38 two-bedroom units, and 27 three-bedroom units. For both the Commercial Variant and Residential Variant, SFFD proposes changes to the lane configuration and traffic light facilities on Washington Street, such that SFFD engines would be able to safely make westbound and eastbound turns out to Washington Street to enhance SFFD’s ability to promptly respond to emergency calls. The Project Site is located within a C-3-O (Downtown Office) Zoning District, Downtown Plan Area, and 200-S Height and Bulk District.

(Recreation and Park Commission Action Only)

NOTE: FOLLOWING ITEMS 1, 2a and 2b, THE RECREATION AND PARK COMMISSION WILL ADJOURN, AND THE PLANNING COMMISSION WILL REMAIN IN SESSION TO SEPARATELY CONSIDER THE FOLLOWING ACTIONS.

3a. 2019-017481SHD (N. FOSTER: (628) 652-7330)
530 SANSOME STREET – located on the east side between Washington and Merchant Streets; Lots 013, 014, and 017 in Assessor’s Block 0206 (District 3) – Request for Adoption of Shadow Findings pursuant to Section 295 that the net new shadow cast by the proposed
project at 530 Sansome Street will not have a significant adverse impact on the use of Maritime Plaza or Sue Bierman Park, two (2) properties under the jurisdiction of the Recreation and Park Department. The proposed project (“Project”) includes the demolition of three existing buildings, including San Francisco Fire Department (SFFD) Station 13 and two vacant commercial buildings and the construction of a new mixed-use building reaching a roof height up to 218 feet tall (236’ inclusive of rooftop screening/mechanical equipment). The Project proposes two distinct development programs that could be implemented, one that would construct various commercial uses further described below (“Commercial Variant”) and one that would construct residential uses further described below (“Residential Variant”). Both the Commercial Variant and Residential Variant would include construction of a state-of-the-art, four-story Fire Station 13 (approximately 21,000 square feet of gross floor area with minor variations in square footage between the Commercial Variant and Residential Variant), as well as a below-grade, non-accessory private parking garage for the SFFD containing 18 spaces (approximately 7,800 square feet of gross floor area with minor variations in square footage between the Commercial Variant and Residential Variant). The Commercial Variant would include a total of approximately 249,000 square feet of gross floor area, including the Fire Department uses, as well as various commercial uses contained in a 19-story tower, including approximately 141,000 square feet of hotel uses (200 rooms), approximately 37,100 square feet of office uses, approximately 32,000 square feet of gym uses and approximately 7,900 square feet of restaurant uses. The Commercial Variant proposes 22 Class 1 and 26 Class 2 bicycle parking spaces, three (3) off-street loading spaces, as well as 30 parking spaces and one (1) car-share below-grade parking spaces for the non-Fire Department uses. The Residential Variant would include a total of approximately 283,000 square feet of gross floor area, including the Fire Department uses, as well as approximately 247,000 square feet of residential uses (256 dwelling units) in a 21-story tower. The additional two building stories in the Residential Variant are the result of slightly smaller floor-to-floor ceiling heights for the residential floors. The Residential Variant proposes 143 Class 1 and 21 Class 2 bicycle parking spaces, three (3) off-street loading spaces, as well as 64 parking spaces and two (2) car-share below-grade parking spaces for the residential uses. The Residential Variant would contain a mix of 191 studio and one-bedroom units, 38 two-bedroom units, and 27 three-bedroom units. For both the Commercial Variant and Residential Variant, SFFD proposes changes to the lane configuration and traffic light facilities on Washington Street, such that SFFD engines would be able to safely make westbound and eastbound turns out to Washington Street to enhance SFFD’s ability to promptly respond to emergency calls. The Project Site is located within a C-3-O (Downtown Office) Zoning District, Downtown Plan Area, and 200-S Height and Bulk District.

Preliminary Recommendation: Adopt Findings

3b. 2019-017481DNX (N. FOSTER: (628) 652-7330)
530 SANSOME STREET – located on the east side between Washington and Merchant Streets; Lots 013, 014, and 017 in Assessor’s Block 0206 (District 3) – Request for Downtown Project Authorization pursuant to Planning Code Section 309 to allow a project greater than 50,000 square feet of floor area within a C-3 Zoning District with requested exceptions for: Rear Yard (Section 134); Dwelling Unit Exposure (140); Reduction of Ground-Level Wind Current (Section 148); Off-street Freight Loading (Section 151.1); Height Limits within the S Bulk District (Section 263.9); and Bulk Controls (Section 270). The proposed project (“Project”) includes the demolition of three existing buildings, including San Francisco Fire Department (SFFD) Station 13 and two vacant commercial buildings and the construction
of a new mixed-use building reaching a roof height up to 218 feet tall (236’ inclusive of rooftop screening/mechanical equipment). The Project proposes two distinct development programs that could be implemented, one that would construct various commercial uses further described below (“Commercial Variant”) and one that would construct residential uses further described below (“Residential Variant”). Both the Commercial Variant and Residential Variant would include construction of a state-of-the-art, four-story Fire Station 13 (approximately 21,000 square feet of gross floor area with minor variations in square footage between the Commercial Variant and Residential Variant), as well as a below-grade, non-accessory private parking garage for the SFFD containing 18 spaces (approximately 7,800 square feet of gross floor area with minor variations in square footage between the Commercial Variant and Residential Variant). The Commercial Variant would include a total of approximately 249,000 square feet of gross floor area, including the Fire Department uses, as well as various commercial uses contained in a 19-story tower, including approximately 141,000 square feet of hotel uses (200 rooms), approximately 37,100 square feet of office uses, approximately 32,000 square feet of gym uses and approximately 7,900 square feet of restaurant uses. The Commercial Variant proposes 22 Class 1 and 26 Class 2 bicycle parking spaces, three (3) off-street loading spaces, as well as 30 parking spaces and one (1) car-share below-grade parking spaces for the non-Fire Department uses. The Residential Variant would include a total of approximately 283,000 square feet of gross floor area, including the Fire Department uses, as well as approximately 247,000 square feet of residential uses (256 dwelling units) in a 21-story tower. The additional two building stories in the Residential Variant are the result of slightly smaller floor-to-floor ceiling heights for the residential floors. The Residential Variant proposes 143 Class 1 and 21 Class 2 bicycle parking spaces, three (3) off-street loading spaces, as well as 64 parking spaces and two (2) car-share below-grade parking spaces for the residential uses. The Residential Variant would contain a mix of 191 studio and one-bedroom units, 38 two-bedroom units, and 27 three-bedroom units. For both the Commercial Variant and Residential Variant, SFFD proposes changes to the lane configuration and traffic light facilities on Washington Street, such that SFFD engines would be able to safely make westbound and eastbound turns out to Washington Street to enhance SFFD’s ability to promptly respond to emergency calls. The Project Site is located within a C-3-O (Downtown Office) Zoning District, Downtown Plan Area, and 200-S Height and Bulk District. This action constitutes the Approval Action for the project for the purposes of CEQA, pursuant to San Francisco Administrative Code Section 31.04(h).

Preliminary Recommendation: Approve with Conditions

3c. 2019-017481CUA  
530 SANSOME STREET – located east side between Washington and Merchant Streets; Lots 013, 014, and 017 in Assessor’s Block 0206 (District 3) – Request for Conditional Use Authorization to permit a hotel use and private parking garage (Sections 303(g) and 303(t)). The proposed project (“Project”) includes the demolition of three existing buildings, including San Francisco Fire Department (SFFD) Station 13 and two vacant commercial buildings and the construction of a new mixed-use building reaching a roof height up to 218 feet tall (236’ inclusive of rooftop screening/mechanical equipment). The Project proposes two distinct development programs that could be implemented, one that would construct various commercial uses further described below (“Commercial Variant”) and one that would construct residential uses further described below (“Residential Variant”). Both the Commercial Variant and Residential Variant would include construction of a state-of-the-art, four-story Fire Station 13 (approximately 21,000 square feet of gross floor area with
minor variations in square footage between the Commercial Variant and Residential Variant), as well as a below-grade, non-accessory private parking garage for the SFFD containing 18 spaces (approximately 7,800 square feet of gross floor area with minor variations in square footage between the Commercial Variant and Residential Variant). The Commercial Variant would include a total of approximately 249,000 square feet of gross floor area, including the Fire Department uses, as well as various commercial uses contained in a 19-story tower, including approximately 141,000 square feet of hotel uses (200 rooms), approximately 37,100 square feet of office uses, approximately 32,000 square feet of gym uses and approximately 7,900 square feet of restaurant uses. The Commercial Variant proposes 22 Class 1 and 26 Class 2 bicycle parking spaces, three (3) off-street loading spaces, as well as 30 parking spaces and one (1) car-share below-grade parking spaces for the non-Fire Department uses. The Residential Variant would include a total of approximately 283,000 square feet of gross floor area, including the Fire Department uses, as well as approximately 247,000 square feet of residential uses (256 dwelling units) in a 21-story tower. The additional two building stories in the Residential Variant are the result of slightly smaller floor-to-floor ceiling heights for the residential floors. The Residential Variant proposes 143 Class 1 and 21 Class 2 bicycle parking spaces, three (3) off-street loading spaces, as well as 64 parking spaces and two (2) car-share below-grade parking spaces for the residential uses. The Residential Variant would contain a mix of 191 studio and one-bedroom units, 38 two-bedroom units, and 27 three-bedroom units. For both the Commercial Variant and Residential Variant, SFFD proposes changes to the lane configuration and traffic light facilities on Washington Street, such that SFFD engines would be able to safely make westbound and eastbound turns out to Washington Street to enhance SFFD’s ability to promptly respond to emergency calls. The Project Site is located within a C-3-O (Downtown Office) Zoning District, Downtown Plan Area, and 200-S Height and Bulk District.

Preliminary Recommendation: Approve with Conditions

3d. 2019-017481OFA (N. FOSTER: (628) 652-7330)
530 SANSOME STREET – located on the east side between Washington and Merchant Streets; Lots 013, 014, and 017 in Assessor’s Block 0206 (District 3) – Request for Office Development Allocation under the 2020-2021 Annual Office Development Limitation Program (Sections 320 through 325) authorizing up to 40,000 gross square feet of general office use. The proposed project (“Project”) includes the demolition of three existing buildings, including San Francisco Fire Department (SFFD) Station 13 and two vacant commercial buildings and the construction of a new mixed-use building reaching a roof height up to 218 feet tall (236’ inclusive of rooftop screening/mechanical equipment). The Project proposes two distinct development programs that could be implemented, one that would construct various commercial uses further described below (“Commercial Variant”) and one that would construct residential uses further described below (“Residential Variant”). Both the Commercial Variant and Residential Variant would include construction of a state-of-the-art, four-story Fire Station 13 (approximately 21,000 square feet of gross floor area with minor variations in square footage between the Commercial Variant and Residential Variant), as well as a below-grade, non-accessory private parking garage for the SFFD containing 18 spaces (approximately 7,800 square feet of gross floor area with minor variations in square footage between the Commercial Variant and Residential Variant). The Commercial Variant would include a total of approximately 249,000 square feet of gross floor area, including the Fire Department uses, as well as various commercial uses contained in a 19-story tower, including approximately 141,000 square feet of hotel uses (200 rooms),
approximately 37,100 square feet of office uses, approximately 32,000 square feet of gym uses and approximately 7,900 square feet of restaurant uses. The Commercial Variant proposes 22 Class 1 and 26 Class 2 bicycle parking spaces, three (3) off-street loading spaces, as well as 30 parking spaces and one (1) car-share below-grade parking spaces for the non-Fire Department uses. For both the Commercial Variant and Residential Variant, SFFD proposes changes to the lane configuration and traffic light facilities on Washington Street, such that SFFD engines would be able to safely make westbound and eastbound turns out to Washington Street to enhance SFFD’s ability to promptly respond to emergency calls. The Project Site is located within a C-3-0 (Downtown Office) Zoning District, Downtown Plan Area, and 200-S Height and Bulk District.

Preliminary Recommendation: Approve with Conditions

3e. 2019-017481VAR  
530 Sansome Street – located on the east side between Washington and Merchant Streets; Lots 013, 014, and 017 in Assessor’s Block 0206 (District 3) – Request for Variance pursuant to Section 305, as reviewed by the Zoning Administrator, from the following development standards of the Planning Code: width of openings for off-street parking and loading (Section 155(s)(4)(A)); and active use, ground floor ceiling height, and transparency requirements for street frontages in commercial districts (Sections 145.1(c)(3), (4) and (6)). The proposed project (“Project”) includes the demolition of three existing buildings, including San Francisco Fire Department (SFFD) Station 13 and two vacant commercial buildings and the construction of a new mixed-use building reaching a roof height up to 218 feet tall (236’ inclusive of rooftop screening/mechanical equipment). The Project proposes two distinct development programs that could be implemented, one that would construct various commercial uses further described below (“Commercial Variant”) and one that would construct residential uses further described below (“Residential Variant”). Both the Commercial Variant and Residential Variant would include construction of a state-of-the-art, four-story Fire Station 13 (approximately 21,000 square feet of gross floor area with minor variations in square footage between the Commercial Variant and Residential Variant), as well as a below-grade, non-accessory private parking garage for the SFFD containing 18 spaces (approximately 7,800 square feet of gross floor area with minor variations in square footage between the Commercial Variant and Residential Variant). The Commercial Variant would include a total of approximately 249,000 square feet of gross floor area, including the Fire Department uses, as well as various commercial uses contained in a 19-story tower, including approximately 141,000 square feet of hotel uses (200 rooms), approximately 37,100 square feet of office uses, approximately 32,000 square feet of gym uses and approximately 7,900 square feet of restaurant uses. The Commercial Variant proposes 22 Class 1 and 26 Class 2 bicycle parking spaces, three (3) off-street loading spaces, as well as 30 parking spaces and one (1) car-share below-grade parking spaces for the non-Fire Department uses. The Residential Variant would include a total of approximately 283,000 square feet of gross floor area, including the Fire Department uses, as well as approximately 247,000 square feet of residential uses (256 dwelling units) in a 21-story tower. The additional two building stories in the Residential Variant are the result of slightly smaller floor-to-floor ceiling heights for the residential floors. The Residential Variant proposes 143 Class 1 and 21 Class 2 bicycle parking spaces, three (3) off-street loading spaces, as well as 64 parking spaces and two (2) car-share below-grade parking spaces for the residential uses. The Residential Variant would contain a mix of 191 studio and one-bedroom units, 38 two-bedroom units, and 27 three-bedroom units. For both the Commercial Variant and Residential Variant, SFFD proposes changes to the lane
configuration and traffic light facilities on Washington Street, such that SFFD engines would be able to safely make westbound and eastbound turns out to Washington Street to enhance SFFD’s ability to promptly respond to emergency calls. The Project Site is located within a C-3-O (Downtown Office) Zoning District, Downtown Plan Area, and 200-S Height and Bulk District.
