Ramaytush Ohlone Acknowledgement

The Historic Preservation Commission acknowledges that we are on the unceded ancestral homeland of the Ramaytush Ohlone, who are the original inhabitants of the San Francisco Peninsula. As the indigenous stewards of this land and in accordance with their traditions, the Ramaytush Ohlone have never ceded, lost, nor forgotten their responsibilities as the caretakers of this place, as well as for all peoples who reside in their traditional territory. As guests, we recognize that we benefit from living and working on their traditional homeland. We wish to pay our respects by acknowledging the Ancestors, Elders, and Relatives of the Ramaytush Ohlone community and by affirming their sovereign rights as First Peoples.

CITY CEMETERY (LINCOLN PARK) – north side of Clement Street between 33rd Avenue, Fort Miley VA Medical Center, and the Golden Gate; Lot 029 in Assessor's Block 1313 (District 1) – Consideration to Recommend to the Board of Supervisors **Landmark Designation** of Lincoln Park, formerly known as City Cemetery, as an individual Article 10 Landmark pursuant to Section 1004.2 of the Planning Code. Lincoln Park was initiated for designation by the Board of Supervisors on July 27, 2021 (See BoS File No. 210426). Lincoln Park is significant as the site of the former City Cemetery, the resting place of socially, ethnically, and culturally diverse populations of San Franciscans that have made contributions to the broad patterns of our history and its closure and partial removal of City Cemetery reflects changing attitudes and behavior around the disposal and respect for the dead across the late nineteenth and early twentieth centuries; the extant Kong Chow temple and Ladies' Seaman's Friends Society obelisk both embody distinctive characteristics of nineteenth-century funerary design and practice; and City Cemetery is a significant archeological site with remnants of the cemetery, including human remains, holding the potential to yield information important to the history of the City and the people who built it. The subject property is in a P (Public) Zoning District and OS Height and Bulk District.
Preliminary Recommendation: Adopt a Recommendation for Approval

HOUSING ELEMENT 2022 UPDATE – Informational Presentation – The Housing Element 2022 Update of the General Plan is San Francisco's first housing plan centered on racial and social equity. This plan will express the city's collective vision and values for the future of housing in San Francisco. It will also identify priorities for decision makers, guide resource allocation for housing programs and services, and define how and where the city should create new homes for San Franciscans, or those who want to call this city home. This update is due late 2022 and it will need to accommodate the creation of 82,000 units by 2031, a target set by State and Regional Agencies that has been tripled compared to the city's current targets. This hearing will be the second informational hearing on this project at the Historic Preservation Commission. It will allow SF Planning to share the second draft of the 2022 Update and demonstrate how the plan has been revised to respond to and incorporate substantial public feedback gathered during Phase II of outreach and engagement (April – September 2021), summarized in the final Phase II Public Input Summary report. Phase III of outreach and engagement for the project is underway and will conclude in March.
