(MATT DITO)

240 CASTRO STREET, Lot 004 in Assessor's Block 2613, in an RH-3 Zoning District, Central Neighborhoods Large Residence SUD, and 40-X Height and Bulk District

MINIMUM LOT AREA, LOT FRONTAGE, REAR YARD, AND OPEN SPACE VARIANCES SOUGHT: The proposal is to split the existing lot into two lots, each containing a 2-unit building.

PLANNING CODE SECTION 121(e) requires that every newly created lot in an RH-3 Zoning District having its street frontage entirely within 125 feet of the intersection of two streets that intersect at an angle of not more than 135 degrees shall be 1,750 square feet. The proposed western lot is within 125 feet of a qualifying intersection, and has an area of 1,620 square feet, less than the required 1,750 square feet. Therefore, a variance is required.

PLANNING CODE SECTION 121(a) requires that every newly created lot have a minimum street frontage of 16 feet. The proposed Lot B will have no street frontage. Therefore, a variance is required.

PLANNING CODE SECTION 134 requires that the subject property maintain a rear yard equivalent to 45 percent of the total lot depth, but in no case less than 15 feet, whichever is greater. Both proposed lots would have rear yards of less than 15 feet. Therefore, a variance is required for both lots.

PLANNING CODE SECTION 135 requires that every dwelling unit in an RH-3 Zoning District provide at least 100 square feet of private usable open space for each dwelling unit, or 133 square feet of common usable open space per dwelling unit. The proposed western lot provides 148 square feet of common usable space for two dwelling units. The proposed eastern lot provides no usable open space. Therefore, a variance is required for both lots.

CEQA Appeal Rights under Chapter 31 of the San Francisco Administrative Code

If the Zoning Administrator's or Commission's action on a project constitutes the Approval Action for that project (as defined in S.F. Administrative Code Chapter 31, as amended, Board of Supervisors Ordinance Number 161-13), then the CEQA determination prepared in support of that Approval Action is thereafter subject to appeal within the time frame specified in S.F. Administrative Code Section 31.16. This appeal is separate from and in addition to an appeal of an action on a project. Typically, an appeal must be filed within 30 calendar days of the Approval Action for a project that has received an exemption or negative declaration pursuant to CEQA. For information on filing an appeal under Chapter 31, contact the Clerk of the Board of Supervisors at City Hall, 1 Dr. Carlton B. Goodlett Place, Room 244, San Francisco, CA 94102, or call (415) 554-5184. If the Department's Environmental Review Officer has deemed a project to be exempt from further environmental review, an exemption determination has been prepared and can be obtained on-line at <http://www.sf-planning.org/index.aspx?page=3447>. Under CEQA, in a later court challenge, a litigant may be limited to raising only those issues previously raised at a hearing on the project or in written correspondence delivered to the Board of Supervisors, Planning Commission, Planning Department or other City board, commission or department at, or prior to, such hearing, or as part of the appeal hearing process on the CEQA decision.
