RAMAYTUSH OHLONE ACKNOWLEDGEMENT

The Commission acknowledges that we are on the unceded ancestral homeland of the Ramaytush Ohlone, who are the original inhabitants of the San Francisco Peninsula. As the indigenous stewards of this land and in accordance with their traditions, the Ramaytush Ohlone have never ceded, lost, nor forgotten their responsibilities as the caretakers of this place, as well as for all peoples who reside in their traditional territory. As guests, we recognize that we benefit from living and working on their traditional homeland. We wish to pay our respects by acknowledging the Ancestors, Elders, and Relatives of the Ramaytush Ohlone community and by affirming their sovereign rights as First Peoples.

PG&E POWER ASSET ACQUISITION PROJECT– various locations in San Francisco and San Mateo counties – Public Hearing on Draft Environmental Impact Report. The City and County of San Francisco is proposing to purchase Pacific Gas and Electric Company (PG&E)-owned electrical transmission and distribution assets in San Francisco and San Mateo County that are needed to provide electricity service to customers within the city (the “project”). The project would require new construction or modifications to existing facilities to physically separate PG&E’s existing electric system into two separate systems to allow both systems to be safely, reliably, and independently operated by the City and PG&E. The City would provide electricity service to city customers; PG&E would continue to provide electricity service to its customers outside of San Francisco. The project would include: (1) modifications to the Martin Substation in Brisbane (or construction of a new substation); (2) new underground distribution express feeders approximately 3.8 miles long in the public right-of-way; (3) modifications to existing distribution and transmission infrastructure; (4) service yards and operational control center. The project site is located in the southern portion of San Francisco and northern portions of Brisbane and Daly City in a variety of zoning districts.
Written comments will be accepted at CPC.PGEPowerAssetsEIR@sfgov.org or at the Planning Department until 5:00 p.m. on May 19, 2025.
Preliminary Recommendation: Review and Comment
8. [2024-007066ENV](#) (J. NAVARRETE: (628) 652-7561)
447 BATTERY/530 SANSOME – block bounded by Sansome Street to the west, Washington Street to the north, Battery Street to the east, and Merchant Street to the south; Assessors Block 0206, Lots 002, 013, 014, 017 (District 3) – Public Hearing on the Draft Environmental Impact Report. The proposed 447 Battery and 530 Sansome Street project (proposed project) on the 28,830 square-foot- project site would involve demolition of: the existing 3-story commercial building at 425 Washington Street; the 2-story commercial building at 439-445 Washington Street; the 3-story commercial building at 447 Battery Street; and the fire station at 530 Sansome Street. The three-story building at 447 Battery Street, historically known as the Jones Theirbach Coffee Company, is currently designated as Landmark No. 299 under Article 10 of the Planning Code. During construction, Fire Station 13 operations would temporarily relocate to nearby offsite existing San Francisco Fire Department facilities prior to demolition of 530 Sansome Street and until construction of a replacement fire station is completed. The proposed project would construct a 4-story replacement fire station and a separate high-rise building up to 41 stories tall on the project site. The replacement fire station would be located on the 447 Battery Street parcel and would include approximately 31,200 square feet (including a basement with 18 vehicle parking spaces and four class 1 bicycle spaces) in a 4-story, approximately 55-foot-tall building. The high-rise building, approximately 544 feet tall would be located on the remaining three parcels and would include: approximately 7,405 square feet of retail/restaurant space; between approximately 344,840 and 390,035 square feet of office space; approximately 27,195 square feet of square feet office amenity space; between approximately 127,710 and 188,820 square feet of hotel space for approximately 100 to 200 hotel rooms; and approximately 10,135 square feet of ballroom/pre-function/meeting space. There would be three below-grade levels under the high-rise building, which would provide approximately 74 vehicle parking spaces, 77 Class 1 bicycle parking spaces, and utility rooms. The proposed project would convert all of Merchant Street between Battery and Sansome streets into a shared street/living alley with approximately 12,695 square feet of privately maintained public open space improvements. The project site is within the C-3-O (Downtown Office) Zoning District and 200-S Height and Bulk District.

ADJOURNMENT

HEARING PROCEDURES

The Planning Commission holds public hearings regularly, on most Thursdays. The [full hearing schedule](#) for the calendar year and the [Commission Rules & Regulations](#) may be found online at sflanning.org.

Public Comments: Persons attending a hearing may comment on any scheduled action item.

- ❖ When speaking before the Commission, please note the time. Speakers will hear two alarms. The first soft sound indicates the speaker has 30 seconds remaining. The second louder sound indicates that the speaker's opportunity to address the Commission has ended.

Sound-Producing Devices Prohibited: The ringing of and use of mobile phones and other sound-producing electronic devices are prohibited at this meeting. Please be advised that the Chair may order the removal of any person(s) responsible for the ringing or use of a mobile phone, pager, or other similar sound-producing electronic devices (67A.1 Sunshine Ordinance: Prohibiting the use of cell phones, pagers, and similar sound-producing electronic devices at and during public meetings).

For most cases (CU's, PUD's, 309's, etc.) that are considered by the Planning Commission, after being introduced by the Commission Secretary, shall be considered by the Commission in the following order:

1. A thorough description of the issue(s) by the Director or a member of the staff.
2. A presentation of the proposal by the Project Sponsor(s) team (includes sponsor or their designee, lawyers, architects, engineers, expeditors, and/or other advisors) would be for a period not to exceed 10 minutes, unless a written request for extension not to exceed a total presentation time of 15 minutes is received at least 72 hours in advance of the hearing, through the Commission Secretary, and granted by the President or Chair.
3. A presentation of opposition to the proposal by organized opposition for a period not to exceed 10 minutes (or a period equal to that provided to the project sponsor team) with a minimum of three (3) speakers. The intent of the 10 min block of time provided to organized opposition is to reduce the number of overall speakers who are part of the organized opposition. The requestor should advise the group that the Commission would expect the organized presentation to represent their testimony, if granted. Organized opposition will be recognized only upon written application at least 72 hours in advance of the hearing, through the Commission Secretary, the President or Chair. Such application should identify the organization(s) and speakers.
4. Public testimony from proponents of the proposal: An individual may speak for a period not to exceed three (3) minutes.

10. Public comment portion of the hearing shall be closed and deliberation amongst the Commissioners shall be opened by the Chair.
11. A motion to approve; approve with conditions; approve with amendments and/or modifications; disapprove; or continue to another hearing date, if seconded, shall be voted on by the Commission.

Every Official Act taken by the Commission must be adopted by a majority vote of all members of the Commission, a minimum of four (4) votes. A failed motion results in the disapproval of the requested action unless a subsequent motion is adopted. Any Procedural Matter, such as a continuance, may be adopted by a majority vote of members present, as long as the members present constitute a quorum (four (4) members of the Commission).

For Discretionary Review cases that are considered by the Planning Commission, after being introduced by the Commission Secretary, shall be considered by the Commission in the following order:

1. A thorough description of the issue by the Director or a member of the staff.

If the Commission's action on a project constitutes the Approval Action for that project (as defined in S.F. Administrative Code Chapter 31, as amended, Board of Supervisors Ordinance Number 161-13), then the CEQA determination prepared in support of that Approval Action is thereafter subject to appeal within the time frame specified in S.F. Administrative Code Section 31.16. This appeal is separate from and in addition to an appeal of an action on a project. Typically, an appeal must be filed within 30 calendar days of the Approval Action for a project that has received an exemption or negative declaration pursuant to CEQA. For information on filing an appeal under Chapter 31, contact the Clerk of the Board of Supervisors at City Hall, 1 Dr. Carlton B. If the Department's Environmental Review Officer has deemed a project to be exempt from further environmental review, an exemption determination has been prepared and [can be obtained online](#). Under CEQA, in a later court challenge, a litigant may be limited to raising only those issues previously raised at a hearing on the project or in written correspondence delivered to the Board of Supervisors, Planning Commission, Planning Department or other City board, commission or department at, or prior to, such hearing, or as part of the appeal hearing process on the CEQA decision.

The protest must satisfy the requirements of Government Code Section 66020(a) and must be filed within 90 days of the date of the first approval or conditional approval of the development referencing the challenged fee or exaction. For purposes of Government Code Section 66020, the date of imposition of the fee shall be the date of the earliest discretionary approval by the City of the subject development.

The Planning Commission's approval or conditional approval of the development subject to the challenged fee or exaction as expressed in its Motion, Resolution, or Discretionary Review Action or the Zoning Administrator's Variance Decision Letter will serve as Notice that the 90-day protest period under Government Code Section 66020 has begun.
