RAMAYTUSH OHLONE ACKNOWLEDGEMENT

The Commission acknowledges that we are on the unceded ancestral homeland of the Ramaytush Ohlone, who are the original inhabitants of the San Francisco Peninsula. As the indigenous stewards of this land and in accordance with their traditions, the Ramaytush Ohlone have never ceded, lost, nor forgotten their responsibilities as the caretakers of this place, as well as for all peoples who reside in their traditional territory. As guests, we recognize that we benefit from living and working on their traditional homeland. We wish to pay our respects by acknowledging the Ancestors, Elders, and Relatives of the Ramaytush Ohlone community and by affirming their sovereign rights as First Peoples.

7. [2017-007468ENV](#) (K. ZUSHI: (628) 652-7495)
SFO RECOMMENDED AIRPORT DEVELOPMENT PLAN (RADP) – Certification of the Final Environmental Impact Report (FEIR). The proposed project would implement the RADP, which involves a long-range plan to guide the SFO's development. The San Francisco Airport Commission operates and manages the Airport as a department of the City and County of San Francisco. The RADP serves as a framework for future development at SFO and identifies various projects, including the improvement and development of terminal facilities, modification of certain non-movement areas of the airfield, and improvements to landside facilities to accommodate long-term aircraft operations and passenger activity levels at the Airport. The RADP provides for long-range development to accommodate activity levels forecast to reach approximately 506,000 annual aircraft operations, which is the estimated annual practical capacity of the existing runways regardless of whether the RADP is implemented. Passenger aircraft operations represent the largest portion of the 506,000 annual aircraft operations, which are forecast to accommodate approximately 71.1 million annual passengers considering the forecast passenger aircraft fleet mix. Implementation of the RADP would not induce passenger demand (i.e., induce the public to choose to fly if and/or where they otherwise would not), nor would the RADP increase the capacity of the airfield, change the configuration of the existing runways, change the number of aircraft operations or aircraft types operating at the Airport (including cargo, private jets, and helicopters), or change the volume of annual passengers that choose to fly into and out of SFO.
Note: The public hearing on the draft EIR is closed. The public comment period for the draft EIR ended on June 2, 2025. Public comment will be received when the item is called during the hearing. However, comments submitted will not be included in the Final EIR.
Preliminary Recommendation: Certify
8. [2007.0903PHA-07](#) (E. MAU: (628) 652-7583)
449 AVENUE H – west side between 5th Street and 9th Street; Lot 001 in Assessor's Block 8925 (District 6) - Request for approval of **Major Modification** pursuant to Planning Code Section 249.52(g)(4)(D)(ii) from the façade transparency standards (T5.4.2) of the Treasure Island and Yerba Buena Island Design for Development for the construction of a new professional women's soccer practice facility, consisting of a one-story, approximately 24,000-square-foot athletic training building, along with three (3) adjacent soccer practice fields within the TI-OS (Treasure Island - Open Space) Zoning District, Treasure Island/Yerba Buena Island SUD Special Use District), and 25' Open Space Height Zone.
Preliminary Recommendation: Approve
9. [2021-005878PCA](#) (L. CHEN: (628) 652-7422)
FAMILY ZONING PLAN [BOARD FILE NO. 251072] – Planning Code Text Amendments – Ordinance to amend the Commission-approved Family Zoning Plan Planning Code Amendments. On September 11, 2025, the Commission adopted a Recommendation of Approval with Modifications of the Family Zoning Plan Planning Code Amendments ordinance (Board File No. 250701). On October 20, 2025, Supervisor Mandelman proposed amendments to the ordinance to prohibit Lot mergers citywide on Lots with Category A historic resources, subject to certain preservation obligations. The Commission will consider Supervisor Mandelman's amendment on Lot Mergers for adoption at this hearing.
Preliminary Recommendation: Adopt a Recommendation of Approval with Modifications

ADJOURNMENT

HEARING PROCEDURES

The Planning Commission holds public hearings regularly, on most Thursdays. The [full hearing schedule](#) for the calendar year and the [Commission Rules & Regulations](#) may be found online at sfplanning.org.

Public Comments: Persons attending a hearing may comment on any scheduled action item.

- ❖ When speaking before the Commission, please note the time. Speakers will hear two alarms. The first soft sound indicates the speaker has 30 seconds remaining. The second louder sound indicates that the speaker's opportunity to address the Commission has ended.

Sound-Producing Devices Prohibited: The ringing of and use of mobile phones and other sound-producing electronic devices are prohibited at this meeting. Please be advised that the Chair may order the removal of any person(s) responsible for the ringing or use of a mobile phone, pager, or other similar sound-producing electronic devices (67A.1 Sunshine Ordinance: Prohibiting the use of cell phones, pagers, and similar sound-producing electronic devices at and during public meetings).

For most cases (CU's, PUD's, 309's, etc.) that are considered by the Planning Commission, after being introduced by the Commission Secretary, shall be considered by the Commission in the following order:

1. A thorough description of the issue(s) by the Director or a member of the staff.
2. A presentation of the proposal by the Project Sponsor(s) team (includes sponsor or their designee, lawyers, architects, engineers, expeditors, and/or other advisors) would be for a period not to exceed 10 minutes, unless a written request for extension not to exceed a total presentation time of 15 minutes is received at least 72 hours in advance of the hearing, through the Commission Secretary, and granted by the President or Chair.
3. A presentation of opposition to the proposal by organized opposition for a period not to exceed 10 minutes (or a period equal to that provided to the project sponsor team) with a minimum of three (3) speakers. The intent of the 10 minutes block of time provided to organized opposition is to reduce the number of overall speakers who are part of the organized opposition. The requestor should advise the group that the Commission would expect the organized presentation to represent their testimony, if granted. Organized opposition will be recognized only upon written application at least 72 hours in advance of the hearing, through the Commission Secretary, the President or Chair. Such application should identify the organization(s) and speakers.
4. Public testimony from proponents of the proposal: An individual may speak for a period not to exceed three (3) minutes.
5. Public testimony from opponents of the proposal: An individual may speak for a period not to exceed three (3) minutes.
6. Director's preliminary recommendation must be prepared in writing.
7. Action by the Commission on the matter before it.
8. In public hearings on Draft Environmental Impact Reports, all speakers will be limited to a period not to exceed three (3) minutes.
9. The President (or Acting Chair) may impose time limits on appearances by members of the public and may otherwise exercise his or her discretion on procedures for the conduct of public hearings.
10. Public comment portion of the hearing shall be closed and deliberation amongst the Commissioners shall be opened by the Chair.
11. A motion to approve; approve with conditions; approve with amendments and/or modifications; disapprove; or continue to another hearing date, if seconded, shall be voted on by the Commission.

Every Official Act taken by the Commission must be adopted by a majority vote of all members of the Commission, a minimum of four (4) votes. A failed motion results in the disapproval of the requested action unless a subsequent motion is adopted. Any Procedural Matter, such as a continuance, may be adopted by a majority vote of members present, as long as the members present constitute a quorum (four (4) members of the Commission).

For Discretionary Review cases that are considered by the Planning Commission, after being introduced by the Commission Secretary, shall be considered by the Commission in the following order:

1. A thorough description of the issue by the Director or a member of the staff.
2. A presentation by the DR Requestor(s) team (includes Requestor(s) or their designee, lawyers, architects, engineers, expeditors, and/or other advisors) would be for a period not to exceed five (5) minutes for each requestor.
3. Testimony by members of the public in support of the DR would be up to three (3) minutes each.
4. A presentation by the Project Sponsor(s) team (includes Sponsor(s) or their designee, lawyers, architects, engineers, expeditors, and/or other advisors) would be for a period up to five (5) minutes but could be extended for a period not to exceed 10 minutes if there are multiple DR requestors.
5. Testimony by members of the public in support of the project would be up to three (3) minutes each.
6. DR requestor(s) or their designees are given two (2) minutes for rebuttal.
7. Project sponsor(s) or their designees are given two (2) minutes for rebuttal.
8. The President (or Acting Chair) may impose time limits on appearances by members of the public and may otherwise exercise his or her discretion on procedures for the conduct of public hearings.

The Commission must Take DR in order to disapprove or modify a building permit application that is before them under Discretionary Review. A failed motion to Take DR results in a Project that is approved as proposed.

CHALLENGES

Pursuant to Government Code Section 65009, if you challenge, in court, 1) the adoption or amendment of a general plan; 2) the adoption or amendment of a zoning ordinance; 3) the adoption or amendment of any regulation attached to a specific plan; 4) the adoption, amendment or modification of a development agreement; or 5) the approval of a variance, conditional-use authorization, or any permit; you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence delivered to the Commission at, or prior to, the public hearing.

CEQA APPEAL RIGHTS UNDER CHAPTER 31 OF THE SAN FRANCISCO ADMINISTRATIVE CODE

If the Commission's action on a project constitutes the Approval Action for that project (as defined in S.F. Administrative Code Chapter 31, as amended, Board of Supervisors Ordinance Number 161-13), then the CEQA determination prepared in support of that Approval Action is thereafter subject to appeal within the time frame specified in S.F. Administrative Code Section 31.16. This appeal is separate from and in addition to an appeal of an action on a project. Typically, an appeal must be filed within 30 calendar days of the Approval Action for a project that has received an exemption or negative declaration pursuant to CEQA. For information on filing an appeal under Chapter 31, contact the Clerk of the Board of Supervisors at City Hall, 1 Dr. Carlton B. Goodlett Place, Room 244, San Francisco, CA 94102, or call (415) 554-5184. If the Department's Environmental Review Officer has deemed a project to be exempt from further environmental review, an exemption determination has been prepared and [can be obtained online](#). Under CEQA, in a later court challenge, a litigant may be limited to raising only those issues previously raised at a hearing on the project or in written correspondence delivered to the Board of Supervisors, Planning Commission, Planning Department or other City board, commission or department at, or prior to, such hearing, or as part of the appeal hearing process on the CEQA decision.

PROTEST OF FEE OR EXACTION

You may protest any fee or exaction subject to Government Code Section 66000 imposed as a condition of approval in accordance with Government Code Section 66020. The protest must satisfy the requirements of Government Code Section 66020(a) and must be filed within 90 days of the date of the first approval or conditional approval of the development referencing the challenged fee or exaction. For purposes of Government Code Section 66020, the date of imposition of the fee shall be the date of the earliest discretionary approval by the City of the subject development.

The Planning Commission's approval or conditional approval of the development subject to the challenged fee or exaction as expressed in its Motion, Resolution, or Discretionary Review Action or the Zoning Administrator's Variance Decision Letter will serve as Notice that the 90-day protest period under Government Code Section 66020 has begun.

PROPOSITION F
