Hearing Procedures

The **Zoning Administrator** typically holds Variance Hearings on the **4th Wednesday of each month** at **9:30 a.m.**, at the **San Francisco City Hall, Room 408**. City Hall is located at One Dr. Carlton B. Goodlett Place, San Francisco, CA 94102. Hearings are open to the public.

At the hearing, the **Project Sponsor** (Variance Applicant) will be given 5 minutes to present their case, including relevant testimony and evidence. The hearing room is equipped with a laptop and projector that can display photographs, architectural plans or other drawings and images. **Members of the public** will be given 3 minutes each to speak on the item. If a member of the public speaks against an item, the Project Sponsor will be given a 3-minute **rebuttal**.

Persons attending a hearing may comment on any scheduled item. When speaking, please note that a **timer** is used for each speaker and indicates how much time remains. Speakers will hear a notification indicating that the speaker's opportunity to address the Zoning Administrator is about to end or has ended.

Please note that some items may appear on the **Consent Calendar**. These items are considered routine and may be granted by the Zoning Administrator. There is no separate discussion of consent items unless the Zoning Administrator, member of the public or staff so requests, in which event the matter is removed from the Consent Calendar and will be moved to the Regular Calendar on the Agenda.

In addition, the Zoning Administrator may consider a request for **continuance** to a later date. He may choose to continue the item to the date proposed, to continue the item to another date, or to hear the item on this calendar.

After all the testimonies are submitted, the Zoning Administrator will consider the evidence, deliberate, and either make a decision, take the matter under advisement, or continue the matter in order for additional information to be presented.

Each hearing ends with **general public comment**, at which time members of the public may address the Zoning Administrator for up to 3 minutes on items of interest to the public that are within the subject matter jurisdiction of the Zoning Administrator, except agenda items. The protest must satisfy the requirements of Government Code Section 66020(a) and must be filed within 90 days of the date of the first approval or conditional approval of the development referencing the challenged fee or exaction. For purposes of Government Code Section 66020, the date of imposition of the fee shall be the date of the earliest discretionary approval by the City of the subject development.

The Zoning Administrator's approval or conditional approval of the development subject to the challenged fee or exaction as expressed in its Motion, Resolution, or Discretionary Review Action or the Zoning Administrator's Variance Decision Letter will serve as Notice that the 90-day protest period under Government Code Section 66020 has begun.

Challenges

Pursuant to Government Code Section 65009, if you challenge, in court, (1) the adoption or amendment of a general plan, (2) the adoption or amendment of a zoning ordinance, (3) the adoption or amendment of any regulation attached to a specific plan, (4) the adoption, amendment or modification of a development agreement, or (5) the approval of a variance, conditional-use authorization, or any permit, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence delivered to the Zoning Administrator or Planning Commission, at, or prior to, the public hearing.

CEQA Appeal Rights under Chapter 31 of the San Francisco Administrative Code

If the Zoning Administrator's or Commission's action on a project constitutes the Approval Action for that project (as defined in S.F. Administrative Code Chapter 31, as amended, Board of Supervisors Ordinance Number 161-13), then the CEQA determination prepared in support of that Approval Action is thereafter subject to appeal within the time frame specified in S.F. Administrative Code Section 31.16. This appeal is separate from and in addition to an appeal of an action on a project. Typically, an appeal must be filed within 30 calendar days of the Approval Action for a project that has received an exemption or negative declaration pursuant to CEQA. For information on filing an appeal under Chapter 31, contact the Clerk of the Board of Supervisors at City Hall, 1 Dr. Carlton B. Goodlett Place, Room 244, San Francisco, CA 94102, or call (415) 554-5184. If the Department's Environmental Review Officer has deemed a project to be exempt from further environmental review, an exemption determination has been prepared and can be obtained on-line at <http://www.sf-planning.org/index.aspx?page=3447>. Under CEQA, in a later court challenge, a litigant may be limited to raising only those issues previously raised at a hearing on the project or in written correspondence delivered to the Board of Supervisors, Planning Commission, Planning Department or other City board, commission or department at, or prior to, such hearing, or as part of the appeal hearing process on the CEQA decision.
