Project Description: The project will construct concrete corner curb extensions, or “bulbouts” to shorten pedestrian crossing distances, slow the path of vehicles turning right, and create more sidewalk space.

Overall Project Scope of Work:
• Electrical Lighting and Traffic Signal Upgrade
• Roadway and Sidewalk Improvements
• Landscaping and Public Realm Improvements
• Drainage Improvements
• Decorative Pavement (@ Laguna & 15th/Sanchez intersections)

Project Status: Substantial Completion in July 2022
IPIC Funds: $8.9 million Total Cost: $12.5M
Upper Market Corridor Safety Improvements

Expansion & Installation of Commemorative Plaques
Provided support for installation of a planned Rainbow Honor Walk extension down Market Street. These 3” x 3” plaques would be located in the path of travel of the sidewalk.
