September 2022 Meeting

Active Public Works Projects

- Treat Plaza Improvements
- Potrero Gateway Streetscape Project
- Minnesota Streetscape Project
- Folsom Streetscape Project

Treat Plaza (*South Plaza*)

Project Description: The project improves the safety, comfort, and mobility for pedestrians, cyclists, transit riders, and motorists. The sidewalk will be extended farther into the intersection, and planters will offer decorative seating and provide a protective barrier to traffic.

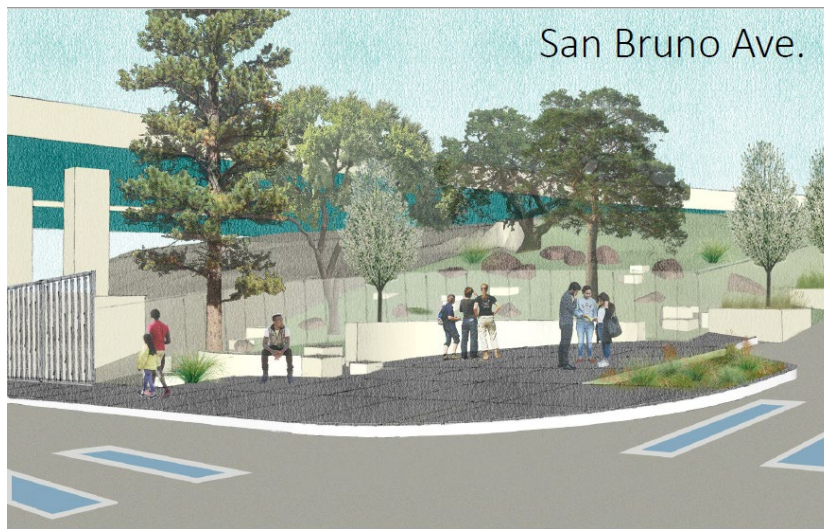

Project Status: Substantial Completion January 2022. Ribbon-Cutting Ceremony held March 2022. Programming efforts ongoing with OEWD/Planning.

Potrero Gateway Project

Project Description: The Potrero Gateway project is creating a series of open space and streetscape improvements to a neglected space under and around Highway 101, along 17th St. between Vermont St. and San Bruno Ave. partnering with the *Dogpatch & Northwest Potrero Hill Green Benefit District* and *Potrero Gateway Park Steering Committee* community group.

Project Status: NTP anticipated September 2022. Finalizing agreements for Clean California Grant.

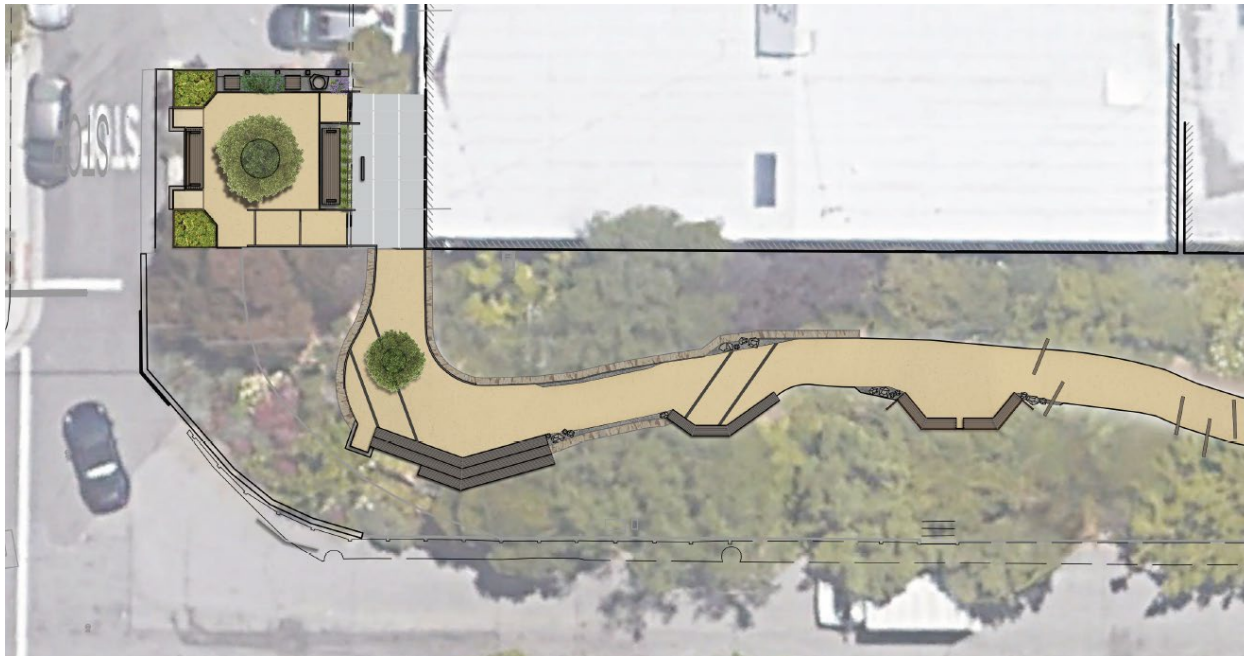

Potrero Gateway Project

Partnering with SFAC for a local artist to install sculpture elements after infrastructure improvements are complete. Design pending Caltrans approval.

Minnesota Streetscape Project

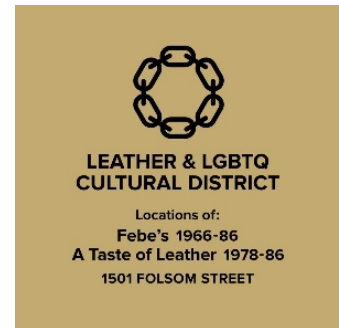

Project Description: The Minnesota Streetscape project will install sidewalks and streetscape elements (trees, lighting, etc.) along the east side of Minnesota St. from 23rd to 25th Streets in Dogpatch. The project will also make modifications to the existing linear green space known as the Minnesota Grove for increased usability and improved safety.

Project Status: Advertise Fall 2022

Folsom Streetscape Project

Project Description: Project stretches from 2nd to 11th Streets along Folsom Street. Project will include bulbouts, traffic signal and streetlight upgrades, landscaping, boarding islands, and installing various streetscape elements.

Project Status: Anticipated Advertise Spring 2023

Maintenance Responsibility of Streetscape Elements: SOMA West CBD, Yerba Buena CBD

Thank you!
