The Fillmore Community Action Plan is a partnership between the City and community members to prioritize and support future investments in the neighborhood.

City Departments, together with community leaders, the Mayor's Office of Community Affairs, and the Office of Supervisor Mahmood, invite you to join us for an exciting open house to help shape the future of the Fillmore!

These draft actions were built directly from the voices, ideas, and lived experiences shared during our Community Workshop Series.

Your input is needed to help refine these actions across the key areas that matter most to the Fillmore / Western Addition community: Health, Housing, Economic & Workforce Development, and Placemaking, Arts & Culture.

This is your chance to make sure the plan reflects the Fillmore's history, culture, and vision for the future.

We hope to see you there!
