# Fillmore Community Action Plan

## Strategy Statement

Overall goal of the strategy, describing the desired changes in the community and explaining why the strategy is important for Fillmore residents.

## *Key Actions*

- Specific, actionable initiatives or projects that fall within the strategy, highlighting what residents and community partners have said is needed most.

# Discussion Questions

- Do these strategies resonate?
- What is missing?
- Where do you think additional detail is needed?

**Our goal to balance readability and accessibility with enough detail to be meaningful.**

**We want to avoid being too vague but also avoid being overwhelming or overly technical.**

# Discussion Questions

- When we present this at the public workshop, what do we need to emphasize, clarify, or simplify so it resonates with the community?
- What questions should we ask at the workshop to get the most meaningful and specific input from community?

# Questions & Reflections

# MEMORANDUM OF COLLABORATION

# Next Steps
