What are the most important entrances to and from your neighborhood that we should prioritize for public space improvements?

Which alleys in the neighborhood do you think have the strongest potential for improvements into public space?

3. Would you or your organization like to participate in building and/or programming Community Action Projects such as Golden Gate Greenway or Elm Alley play street? Please explain and leave your contact info.
Small Business Support: Community Voice

What kind of events and celebrations would you like to see more of on Larkin, Eddy, or Golden Gate?

- Integrated where bike parking is needed
- Walk down the streets safely and enjoy curated events
- Celebrate women of color that help make TL function
- Bike storage in vacant spaces
- More bike-friendly

In addition to the three funding areas in the draft proposal, what other areas need investment to support small businesses in the neighborhood?

- More fresh produce at our markets
- Updating facilities for more money
- Money raising political

Do you know anyone who would like to open a new business in the Tenderloin? Leave your information here. We would like to help!
What are some current Tenderloin youth services that you believe have made positive impacts to Tenderloin youth and why?

- Black Empowerment Program
- Peer to peer support empowered

What new youth services would you like to get implemented that is unique to the Tenderloin? What services could help deter TL youth from engaging with the Open-Air Drug market?

- Challenge the parents: what let them out
- More equitable programs for youth sports like soccer
- Parks in the neighborhood: open-air movie theater
- Rock climbing
- Fill vacant lots with fun things
- More staff to do engaging for kids at the harbor
- What kids to have an inclusive space to go
- Want to be involved in Focus groups
What housing priority do you feel is the most critical? (Use sticky dots to indicate your choice)

1. Improve deeply affordable housing assets to ensure a dignified standard of living.
2. Improve deeply affordable housing assets to ensure a dignified standard of living.
3. Protect vulnerable residents at most risk of homelessness with rental subsidies.
4. Expand on-site case management services, especially behavioral health + substance use disorder.
5. Improve access to affordable housing suitable for families with children and Transitional Aged Youth.
6. Reduce vacancies in existing permanent supportive housing buildings.

What other housing challenges and needs do you experience that you don’t see reflected in the priorities in the board.

AVOID DISPLACEMENT
Long-term affordable housing with public swimming pool

Outreach and Engagement: Community Voice

Are you involved in any organized community groups in the Tenderloin. If so, please share your group’s name and priorities?

- Dept of Rec 105
- TNDC
- OAS council
- Food policy council
- Code Tenderloin

Planning is considering forming working groups on some of the emerging priorities of work. If you’re interested, please leave your contact information, and areas of interest [small business, open space, youth, and housing].

- Cook Lisa 624
- Email: cooklisag@gmail.com
- Open space + housing
- Hillary Sherba
- Email: hsherb@gmail.com

Is there another priority area for the Tenderloin that you would like our team to work on (in addition to small business, open space, youth, and housing)

- More inclusive organizations
- Inclusive Orgs of binings youth
- Enforce diverse participation

What forms of outreach and engagement would you like SF Planning to offer?

For example: Working groups on the four emerging priorities; Attending existing meetings hosted by community groups; Hosting community events; Newsletter; Email announcements; Social media

- Meetings should include coordinate with M0 magic
- Attend more community meetings
