

New Public Spaces

PROJECT MAP

1. Safe Passage

Continue the Safe Passage Ambassadors Program and maintain the expanded escorts for special events to support children, seniors, and people with disabilities.

Projects coordinated through United Way Bay Area

3. Golden Gate Greenway Phase 1: Parklet Projects

100 Block of Golden Gate Avenue. Street Closure everyday 6 am to 6 pm; installation of three community parklets. Parklet 1-movable barriers, greening and seating (completion: Summer 2024). Parklet 2- seating in front of saint Boniface Church(installation Summer 2024). Parklet 3-seating and greening in front of senior housing (installation completed by May 2024). Phase 1 of the project will also host community events, mural art and recurring programs. Interagency coordination has started to build the Golden Gate Greenway as a public space (projected in 2026).

4. Elm Alley School Street

Transform Elm Alley by Tenderloin Community School into a School Street- an outdoor space for kids to play during after hours. The alley is currently closed M-F 8 am to 4 pm, when school is in session. The project's first step (pilot) will host early morning activities for kids between 8am to 8:40 am until end of the 2023-2024 (June 4, 2024) school year. In the new school year 2024-2025 the project will be hosting activities throughout out the day for school kids and for after school programs in the afternoon.The activities will focus on outdoor recreation, play and art making on the street.

5. Larkin Street Green Canopy Project

The project will install 39 planters with trees along Larkin Street between Eddy and O'Farrell, as well as 120 lanterns. New string lights will be installed over Willow and Olive Streets. This will help revitalize businesses on the Larkin Street commercial corridor. The project will be filing a permit in April 2024 for potential installation in May/ June 2024.

6. Tenderloin National Forest Stabilization

The project, slated to reopen regularly starting July 1st, 2024 will provide consistent care with one part-time staff maintaining the grounds and will coordinate with the larger neighborhood by increasing programs offered and hosted at the site. This adds one more space to the open space network of the Tenderloin, providing much needed safe and green space for the neighborhood and its residents.

7. Tenderloin Dog Park

The project will support the current Barklet dog park on Myrtle Alley and will bring some special dog-themed events to the alley. These initiatives will increase open space access, offering open space for dogs to run and play, while fostering community connection.

Park Activities and Celebrations

PROJECT MAP

Projects coordinated through United Way Bay Area

2. Park Stewardship

Continue to provide consistent presence and extended hours at three Tenderloin public parks: Boeddeker Park, Sgt. Macauley Park and Turk-Hyde Mini Park to make sure parks remain clean, safe, and accessible to everyone.

8. Art in the Park

A monthly community-led arts party between October 2023 and September 2024 featuring apprentices, trainees, performer and artists. The events include light refreshments, interactive arts and community gathering activities.

9. Tenderloin Eid-Cultural Celebration

In 2023 and 2024 Tenderloin Eid-Cultural Celebration will take place in Boeddeker Park. The event will partner with local Arabic and Muslim restaurants to serve food, offer games and activities for children, and bring people to Tenderloin businesses. The first Eid celebration took place on July 1st, 2023 at the Tenderloin Childrens Playground. Over 300 community members attended.

10. Tenderloin People's Holiday Tree and Lighting Ceremony

The 6th Tenderloin People's Holiday Tree Lighting Ceremony, organized by the Tenderloin People's Congress, drew the participation of elected officials and a lively crowd of 300 to Boeddeker Park on December 15, 2023. The 7th annual ceremony will be held in December 2024.

11. Tenderloin SINULOG Festival and Flores De Mayo Festival

Celebrating the Filipino community and sharing its culture, this project held the Tenderloin Sinulog Festival on January 21, 2024 at St. Boniface Catholic Church. The Flores De Mayo Festival will be organized at Boeddeker Park in May 2024.

12. Grace Notes Community Festival 2023

Grace Notes are three-Saturdays community jazz and arts festivals held in the summer. The intersection of Turk and Hyde will be closed to cars to host skating activities and performances that can be enjoyed by all residents.

13. Black History and Culture of the Tenderloin

Monthly community events (Oct. 2023 - Oct. 2024) and walking tours (Dec. 2023 - Oct. 2024) to educate and celebrate contributions of the Black community to the neighborhood.

Community Wellness

PROJECT MAP

14. Clean Team

Clean Team stewards are people hired to clean and take care of streets for a safer neighborhood. TLCBD’s Clean Team will maintain their extended support to the City’s street response operations to improve street conditions, and the health and wellbeing of residents and their streets by removing trash and other hazards from the streets. The Clean Team will also provide service support for community events and cultural celebrations.

15. Delivering Innovation in Supportive Housing (DISH) Food Program

DISH completed its service in December 2023, delivered 23,000 meals prepared by La Cocina entrepreneurs to supportive housing residents recovering from long-term homelessness to improve their access to quality and healthy food, and quality of life. Over 80 percent of residents indicated that they feel a sense of dignity and respect receiving La Cocina meals.

17. Capacity Building for Tenderloin Southeast Asian Community

The Southeast Asian Community Center (SEACC) will serve the Southeast Asian community through translation services, education, physical activities, health, and social services. SEACC will also provide business technical assistance and support Southeast Asian business owners in the Tenderloin to apply for city grants. The Center hopes to increase independent living and opportunities for social experiences, clean, safe, and accessible to everyone.

18. Tenderloin Night Navigators Program

Through providing resources, referrals, de-escalation support, and other on-the-spot, as well as medium-term case management services led by Code Tenderloin in partnership DPH and San Francisco Community Health Center (SFCHC), the Program adds capacity to community public health care. Since November 2023 through the end of January 2024, the program had over 3,600 street engagements, with over 1,200 full intake resulting in over 75 Substance use treatment connections and over 260 for other social services such as shelter.

Youth/Family Support

PROJECT MAP

United Way Projects coordinated through United Way Bay Area

16. Community Housing Education for Tenderloin Arabic-speaking Residents

Expand affordable housing information and education program for Arabic residents on how to apply online, prepare for the lease-up process, and learn about tenants’ rights with accessible language and cultural sensitivity. The first three workshops have taken place with topics ranging from DAHLIA, lease-up process, and tenant rights. The fourth workshop is scheduled for May 2024.

20. Tenderloin Teen Drop-In Center

The Salvation Army Kroc Center will staff operations to deliver a safe and clean space for Tenderloin teens to spend time on Mondays – Fridays from 4:00-8:00PM. The center provides low barrier access to facilities such as a fitness gym, basketball gym, game room and more. The Center will be a one-year program with the intention to expand in partnership with other organizations to offer training workshops, field trips to college campuses and other summer field trips to amusement parks, sports games, and cultural events. The Center had its soft opening on April 12th, 2024.

19. Tenderloin Family Housing Tutoring Program

The Tenderloin Family Housing Tutoring Program addresses Math or English school and educational needs of low-income student residents at 201 Turk with potential additional slots for youths in the Tenderloin. The Program offers students a free tutoring program during both the school year and summer break. Tutoring is offered in-person twice per week and one-on-one in Chinese, Arabic, Spanish, and English through spring 2025.

21. Tenderloin Arab Youth and Mental Health Center

The Center will provide mental health support to Arab Youth and their families in addition to culturally competent activities and programming to keep youth engaged outside of school, build bonds with peers, and develop life skills in a safe, supervised environment. The Center opened on 49 Grove Street in November 2023 and has provided one-on-one sessions to more than 30 Arab youth and served over 100 additional family members to improve their mental health as of January 2024.
