# WEST PORTAL History Night

Join this event to learn about the history of your neighborhood with the **Western Neighborhoods Project**, and share **your stories** about important people, places, businesses and events.

At this event, **SF Planning** will share new historic and cultural findings for the **West of Twin Peaks, Lakeshore and Sunnyside Neighborhood Commercial Districts**. Community input will help SF Planning consider important places in this area and inform future historic preservation efforts.

**Everyone is welcome!** This event is free and no prior knowledge of history or preservation is required. Residents, business owners, longtime community members, and anyone with memories or knowledge of the neighborhood are encouraged to attend.

The San Francisco Cultural Resources Survey (SF Survey) is a multi-year program by the Planning Department to identify and document places and resources of cultural, historical, and architectural importance to San Francisco's diverse communities.

**TUESDAY, FEBRUARY 17th**  
**6:00 - 7:30 PM**

**SAN FRANCISCO PUBLIC LIBRARY**  
**WEST PORTAL BRANCH**
