WHAT IS A BLOCK BOOK NOTICE?

A Block Book Notice (BBN) is a request made by a member of the public to be provided notice of permits and Planning Applications on any property within the City and County of San Francisco that is subject to the San Francisco Planning Code. Applications that do not require San Francisco Planning Department Review (examples include applications for plumbing permits, electrical permits and building permits that do not require Planning Department review), Letters of Determination (LOD) and post-entitlement permit review by Planning WILL NOT be subject to a BBN. BBNs are intended to provide the requestor notice of applications reviewed by the Planning Department that they may not otherwise receive.

WHEN CAN AN APPLICATION FOR A BLOCK BOOK NOTICE BE FILED?

An application for a BBN may be filed at any time. The Planning Department requires an annual fee for the first Assessor's Parcel, plus an additional fee for each additional parcel included in the same request. While legislation does not allow a fee exemption for any individual or groups, neighborhood organizations (defined as having been in existence for 24-months prior to the request and listed on the Planning Department's neighborhood organization notification list) require an annual fee for the first Assessor's Block, plus an additional fee for each additional block included in the same request. If you are an authorized representative of a neighborhood organization (as defined above), please also include the organization name and your title on this application form.

HOW DOES THE PROCESS WORK?

Once an Application is filed on a property, a notice of the application that requires San Francisco Planning Department review is provided to the BBN Requestor. The Planning Department notifies a Requestor under a BBN, or if another notice is otherwise required, the Requestor is also included in the required notice. Please note that should a particular Planning Code Section (e.g. Sections 303, 305, 311, 312) require a notice, the BBN Requestor may not receive notice immediately following submittal of a permit to the Planning Department but rather through notice requirements in accordance with the specific Planning Code Section. The Department is required to hold a permit for 10 days so that the BBN Requestor may review it, with the exception of ministerial permits, such as State-Mandated Accessory Dwelling Units (ADUs). The BBN procedure is a notification process only and any individual receiving notice has the options available to any citizen and no more. If the BBN Requestor has a concern regarding approval of the subject permit they may ultimately file a request for Discretionary Review for qualifying projects.

If you are submitting a permit that requires San Francisco Planning Department review and there is a BBN filed on the subject property, you may ask the Planning Department at the Planning Information Center to call the BBN Requestor to determine if they are willing to waive the notification requirement, in which case the Planning Department may proceed without sending a 10 day notice letter. The permit applicant may also contact the BBN Requestor in advance or during the 10 day notice period to obtain their agreement to forego notice where the permit under consideration is not of concern to them.

If the Requestor does not waive the notice requirement, the permit will be accepted for submittal and internally routed from the Building Department to the Planning Department for staff assignment. It may take a week or more for the routing, assignment and for the planner to be able to send out a notice, based upon their workload. The planner assigned to the case will send a notice to the Requestor indicating they have 10 days from the date of the Planning Department's letter to raise any concerns with the project and/or initiate Discretionary Review.

WHO MAY APPLY FOR A BBN?

Any member of the public may request a BBN on any lot within the City and County of San Francisco that is subject to the San Francisco Planning Code.
