WHAT IS A CONDITIONAL USE AUTHORIZATION?

A Conditional Use refers to a use that is not principally permitted in a particular Zoning District. Conditional Uses require a Planning Commission hearing in order to determine if the proposed use is necessary or desirable to the neighborhood, whether it may potentially have a negative effect on the surrounding neighborhood, and whether the use complies with the San Francisco General Plan. During this public hearing the Planning Commission will “condition” the use by applying operational conditions that may minimize neighborhood concerns as well as other conditions that may be required by the Department and the Planning Code. Conditional Use Authorizations are entitlements that run with the property, not the operator.

WHEN IS A CONDITIONAL USE AUTHORIZATION NECESSARY?

For each Zoning District, the Planning Code contains use charts that list types of uses and whether each is permitted as of right (P), conditionally permitted (C), or not permitted (NP or blank). In addition to those particular uses, the Conditional Use Authorization process is utilized for various other applications included but not limited to dwelling unit removal, Planned Unit Developments (PUD’s), and for off-street parking in certain Zoning Districts. Please consult a planner at the Planning counter at the Permit Center for additional information regarding these applications.

FEES

Please refer to the [Planning Department Fee Schedule](#) available at www.sfplanning.org. For questions related to the Fee Schedule, you can call the Planning counter at 628.652.7300 or email pic@sfgov.org where planners are able to assist you.

Fees will be determined based on the estimated construction costs. Should the cost of staff time exceed the initial fee paid, an additional fee for time and materials may be billed upon completion of the hearing process or permit approval. Additional fees may also be collected for preparation and recordation of any documents with the San Francisco Assessor-Recorder’s office and for monitoring compliance with any conditions of approval.

Conditional Use Findings

Pursuant to Planning Code Section 303(c), before approving a conditional use authorization, the Planning Commission needs to find that the facts presented are such to establish the findings stated below. In the space below and on separate paper, if necessary, please present facts sufficient to establish each finding. For some Conditional Use Authorizations, additional findings that are unique to the specific Conditional Use request must also be made by the Planning Commission. If such findings are required, as outlined in [Planning Code Sections 303\(g\)-\(z\)](#), please provide those separately and append to this application.

1. That the proposed use or feature, at the size and intensity contemplated and at the proposed location, will provide a development that is necessary or desirable for, and compatible with, the neighborhood or the community. If the proposed use exceeds the non-residential use size limitations for the zoning district, additional findings must be provided per Planning Code Section 303(c)(1)(A-C).

7. That landmarks and historic buildings be preserved; and

8. That our parks and open space and their access to sunlight and vistas be protected from development.
