WHAT IS A VARIANCE?

The Planning Code regulates the use of property, including the size, design, and siting of buildings that may be constructed on a piece of property. The Planning Code has standards for buildings that govern such features as rear yards, front setbacks, usable open space, height, and parking. A variance is a request for an exception to a Planning Code standard. The Zoning Administrator is the City official that interprets and maintains the Planning Code.

WHEN IS A VARIANCE NECESSARY?

There may be special circumstances that make it difficult for a project to meet all of the Planning Code requirements. In those instances, a project sponsor may request that the Zoning Administrator grant a Variance from the Code provisions. Under the City Charter (Section 4.105), the Zoning Administrator has the power to grant only those variances that are consistent with the general purpose and the intent of the Planning Code. The power to grant a variance shall be applied only when the plain and literal interpretation and enforcement of the Code would “result in practical difficulties, unnecessary hardships, or where the results would be inconsistent with the general purpose of the [Code].”

Planning Code Section 305(c) outlines the five criteria that must be met in order for the Zoning Administrator to grant a variance. The Section 305(c) criteria are as follows:

1. That there are exceptional or extraordinary circumstances applying to the property involved or to the intended use of the property that do not apply generally to other property or uses in the same class of district;
2. That owing to such exceptional or extraordinary circumstances the literal enforcement of specified provisions of this Code would result in practical difficulty or unnecessary hardship not created by or attributable to the applicant or the owner of the property;
3. That such variance is necessary for the preservation and enjoyment of a substantial property right of the subject property, possessed by other property in the same class of district;
4. That the granting of such variance will not be materially detrimental to the public welfare or materially injurious to the property or improvements in the vicinity; and
5. That the granting of such variance will be in harmony with the general purpose and intent of this Code and will not adversely affect the General Plan.

HOW DOES THE PROCESS WORK?

Upon submittal of a complete application to the Planning Department, the Zoning Administrator will schedule a public hearing to consider whether to grant the Variance. Variance hearings typically occur on the last Wednesday of each month. Upon issuing the formal written decision either granting or denying the Variance in whole or in part, the Zoning Administrator shall forthwith transmit a copy the Variance decision letter to the applicant. The action of the Zoning Administrator shall be final and shall become effective 10 days after the date of his written decision except upon the filing of a valid appeal to the Board of Permit Appeals as provided in Section 308.2 of the Planning Code.

FEES

Please refer to the [Planning Department Fee Schedule](#) available at www.sfplanning.org. For questions related to the Fee Schedule, contact the Planning counter at the Permit Center by calling 628.652.7300 or by emailing pic@sfgov.org.

Fees will be determined based on the estimated construction costs. Should the cost of staff time exceed the initial fee paid, an additional fee for time and materials may be billed upon completion of the hearing process or permit approval. Additional fees may also be collected for preparation and recordation of any documents with the San Francisco Assessor-Recorder's office and for monitoring compliance with any conditions of approval.

WHAT APPLICANTS SHOULD KNOW ABOUT THE PUBLIC HEARING PROCESS

- A. The Zoning Administrator encourages applicants to meet with all community groups and parties interested in their application early in the entitlement process. In many cases, this is required as part of the Pre-application process. Department staff is available to assist in determining how to contact interested groups. Neighborhood organization lists are available on the Department's website. Notice of the hearing will be sent to groups in or near the neighborhood of the project. The applicant may be contacted by the Planning Department staff with requests for additional information or clarification. An applicant's cooperation will facilitate the timely review of the application.
- B. The Zoning Administrator requests that applicants familiarize themselves with the procedure for public hearings, which are excerpted from the Planning Commission's Rules and Regulations below.

Hearings. A public hearing may be held on any matter before the Zoning Administrator at either a Regular (every 4th Wednesday of the month) or a Special Meeting. The procedure for such public hearings shall be as follows:

1. A description of the issue by Zoning Administrator along with the Planning Department's recommendation.
 2. A presentation of the proposal by the project sponsor for a period not to exceed 5 minutes.
 3. A presentation of opposition to the proposal, by organized opposition, for a period not to exceed 3 minutes.
 4. Public testimony from proponents of the proposal. An individual may speak for a period not to exceed 3 minutes.
 5. Public testimony from opponents of the proposal would be taken under conditions parallel to those imposed on proposal proponents, not to exceed 3 minutes.
 6. The project sponsor or applicant will be given a period, not to exceed 3 minutes, within which to clarify any questions raised in previous testimony.
 7. Discussion by the Zoning Administrator on the matter.
 8. The Zoning Administrator may impose time limits on appearances by members of the public and may otherwise exercise his or her discretion on procedures for the conduct of public hearings.
- C. **Opportunities for Appeals by Other Bodies:** Zoning Administrator actions on Variances are final unless appealed to the Board of Appeals within 10 days of the Zoning Administrator's written decision.
